## 18.08 Plant Disease 9.60 Clinic Begins

Again this year, the county agent's office will conduct a Plant Disease Clinic e a ch morning until August 1. The Mr. and Mrs. V. O. Elderdice will be a conducted for farmers and the con morning until August 1. The clinic is designed for farmers who have diseased tobacco or other crops to help them get their disease identified with recommendations on how to control or handle the disease. One of the main reasons for the clinic is for the identification and recommendations on to the clinic is for the identification and recommendations on to the clinic is for the identification and recommendations on to tobacco diseases.

Mr. and Mrs. V. O. Elderdice dand children of Wilmington Strats spank his child."

These words by my first psychology professor echo in memory every time 1 feel compelled to "warm the seat" of an erring Corey youngster. In fact, the statement has saved our children from several tobacco diseases.

Mr. and Mrs. V. O. Elderdice "An intelligent parent does of spank his child."

These words by my first psychology professor echo in memory every time 1 feel compelled to "warm the seat" of an erring Corey youngster. In fact, the statement has saved our children from several spankings. Hettie James, 1 lot ... 9.24 Annabelle Jenkins, 2 lots 13.32 14.24 tobacco diseases.

2.32 carrying tobacco diseases from one field and one farm to another. Even though we try to be extremely careful not to spread or carry diseases from one farm to the other, is is practically impossible to do so when tracking down tobacco diseases," says Charles D. Raper, county agent.

1.32 d. 4.36 t. 36 t. 2.00 ther crops and is not sure of the disease, he is urged to disease, with her parents, and brother Mr. and Mrs. T. E. Smith Sr. and Mrs. Mack Smith Sr. and Mrs. Mack Smith Sr. and Mrs. Mack Smith Sr. and Mrs. Smith's sister Mr. and Mrs. Edded Griec, and Mr. and M

14.52 mg plant diseases.

The first case of Black Shank showed up in the clinic this week, and it is expected that a number of other cases of 1.06 will show up in the next few weeks.

Haywood Smith of Pireway and at Ocean Drive Beach, will show up in the next few way and at Ocean Drive Beach.

C. Mr. and Mrs. Charles Purk.

When this barrens for amount of calm discussion will bring him around to reason by which he means, of course, the adult view. He's out to "test the limits" of permitted behavior.

When this barrens for the calm discussion will bring him around to reason by which he means, of course, the adult view. He's out to "test the limits" of permitted behavior.

to the county clinic.

### MRS. KERMIT HINSON

#### 3.96 BACK FROM FLORIDA

-Praise is a better incentive to learning than reproof. Rewards are more effective than punishment,

-Punishment for the sake of punishment has no value -Punishment for the sake of 6 promotin esomething positive probably has ifttle or no

value. -The more intelligible the punishment is in relation to the end it is supposed to achieve the more effective it probably will be.

---Punishment can be a deterrent, and to deny this is to be unrealistic.

—The more direct the rela. b tion, the better it probably will be.

fusion or doubt there is the better it probably will be,

-The more punishmen is regarded as having a kind of completeness or finality about it, the better it probably will -The effect of this or that bit of punishment will de-

pend not simply on the act of punishment but on the kind of relationship that exists between the person who punishes and the child who is punished.

Frances Keith Thompkins expected home tomorrow from a vacation visit in Florida with her father, Lao Thompkins,
