Love For Living

MEETIN' UP WITH YOU
C. E. Bodgin

When I'm sittin' by the Yuletide fire
Sort of dreamin' dreams so fine,
And a-thinkin' of the folks I love
For the sake of Auld Lang Syne;
Then I see you plain before me,
And my courage comes ANEW.
For I've found the travelin' easier
Since a-meetin' up with you.

And I'm thinkin' that it's better,
When you love folks, not to wait,
But tell 'em so, and let 'em know
Efore it gets too late.
So I say the stars shine brighter,
And the sky's a lighter blue,
And the birds are singin' sweeter
Since I met up with you.

Yes, I'm glad that God decreed it,
So together we might see,
That there's greater joy in livin'
Than there otherwise would be;
And at this Christmas season
I want to tell you it is true
That I have been made happier
By meetin' up with you.

County 4-H'ers Hold Corn Meal Muffin Contest

Can you bake good corn meal muffins? Well, Columbus County 4-H Club members certainly can.

Gayle Horne, member of the Mishop Springs Community 4-H Club, was first place winner in the recently held Corn Meal Muffin Contest. Beth Avant, of the Intermediate Cloverettes Club in Chadbourn, was second place winner. These girls won a portable hand mixer and free trip to summer camp, respectively.

Winning honorable mention were Kitty Jo Lawing and June Sessions, White Marsh Community 4-H Club, and Marie Williamson, North Whiteville Community 4-H Club.

The judges were very impressed with the baking skills these girls exhibited and with the stories of the health value of using only enriched corn meal.

The Junior Enriched Corn Meal Muffin Contest is sponsored by the Corn Millers' Federation in corporation with the Extension Service and it was held in the kitchen of the County Agricultural Building.

The purpose of this contest is to encourage 4-H Club members to know the value of enriched corn meal in the diet as a good low cost food, influence others to use enriched corn meal and make better corn muffins, and improve personal and family health through the development of better food habits.

The girls entering this contest had baked muffins at home many times using enriched corn meal which has added vitamins and minerals.

A detailed record was kept from the different bakings and evaluation scores were recorded. They also wrote original stories based on the health value of using only corn meal that has been enriched. A county-wide "bake-off" was held to determine the winners.
