WEBSTER

From the number of students going to school one would believe that the school is doing something, and from the report of the teachers we can't help but believe that our school is one of the best high

schools in this section.

We are glad to welcome Prof. Johnson to this place and hope our school will be greatly strengthened by having him.

Our Sunday school is progressing very nicely, but we would like to see more of the parents bring their children and come out to the Sunday school. Mr. C. C. Cowan has been giving some lectures on the lesson that would pay anybody to come out and hear. Mr. Cowan will continue to give us his services which we should be proud to have, and those who haven't interest enough in themselves or the cause to come and be present are certainly missing a treat, one that they may never again have the privilege of enjoying. Parents, bring your children; children, bring your parents to Sunday school and thereby help to build up the Sunday school and make it what it ought to be.

Mr. F. E. Alley spent the first of the week in Waynesville completing arrangements to move there the last of the week.

W. H. Deitz of Sylva passed through Webster Tuesday.

Rev. W. H. Deitz of Bryson City our present pastor of the Baptist church, was re-elected and has accepted. We are certainly fortunate in having him with us another year.

Blood Was Wrong

All women, who suffer from the aches and pains, due to female ailments, are urged to try Cardui, the reliable, scientific, tonic remedy, for women. Cardui acts promptly, yet gently, and without bad effects, on the womanly system, relieving pain, building up strength, regulating the system, and toning up the nerves. During the past half century, thousands of ladies have written to tell of the quick curative results they obtained, from the use of this well-known medicine.

TAKE **CARDUI** The Woman's Tonic

Mrs. Jane Calahan suffered from womanly trouble for nearly ten years. In a letter from Whiteville, N. C., she says: "I was not able to do my own housework. My stomach was weak, and my blood was wrong. I had backache, and was very weak. I tried several doctors, but they did me no good. I used Cardui for 3 or 4 months, and now I am in the best health I have ever been. I can never praise Cardui enough." It is the best tonic, for women.

Whether seriously sick, or simply weak, try Cardui.
