KENYON BILL.

Washington, Jan. 11.—After two days' debate on whether the Senate had the right to rescind a unanimous consent agreement, that body late today fixed February 10, as the date for a final vote on the Sheppard Kenyon Bill prohibiting shipments of liquor into states where prohibitory laws are in effect.

An agreement for a vote January 20 asked for by Senator Sanders of Tennessee, was made yesterday, but immediately objected to by Senator Smoot. The fight to rescind the action ended today when a motion to reconsider the unanimous consent agreement carried forty to seventeen. Senator Smoot entered objection to a final vote January 20 and Senator Gallinger immediately asked for a vote February 10, to which no objection was made.

Engineer Poindexter was struck in the head with a rock thrown into his train near Sylva Sunday night.
