Webster, N. C.

HOME, SWEET HOME.

# The Jeffeson Stanard Life Insurance Co.

of Greensboro, N. C.

The consolidation of the Greensboro Life, the Security Life and Annuity Co., and the Jefferson Standard gives to North Carolina the largest insurance company--not writing industrial insurace-- in the South.

This consolidation had the approval of the stockholders and directors of the Jefferson Standard and the Greensboro Life and the trustees of the Security Life and Annuity Co. and the Insurance Commissioners of North Carolina, South Carolina and Virginia, and was effective on the 29th day of September.

#### DISABILITY CLAUSE,

1. Our policies provide, if the death of the insured shall result from accident, we pay the face of the policy and one half the amount paid in at the time of death.

2. Or, if the insured becomes disabled from work either by accident or any disease, we will "pay'the premiums, if any fall due thereafter. so long as the insured is disabled from work. So if you stay well you pay the premiums; if you are disabled we pay them for you.

Our rates are lower than most of the Northern Com. panies.

The consolidated company will have approximately thirty eight million dollars of insurance in force. three and one-half million dollars in assets, a surplus to policy holders of seven hundred thousand, and an annual in. come of one and three quarter million dollars.

It has twice as much insurance in force in North Carolina as any other company doing business in the State. We want to double this amount in the State. We can save you money and keep it at home.

Agents of character and ability wanted.
