IN MEMORIUM.

The friends in Norton were shocked upon receiving the sad news of the death of Mrs. Lorena Pierson Galloway, who died at Monroe, Wash., Tuesday, February 11th, after a lingering illness of several weeks.

She was the daughter of Mr. and Mrs. Mac Pierson of Norton.

Lorena was loved by all who knew her. She was a Christian, and when God called her she was ready to go. She was married to Wiley Galloway in 1911; this happy union was blessed with one child which is only a few weeks old.

She is survived by four sisters, Mrs. Fannie Hensen of Highlands, Mrs. Sam Bryner of Franklin, Mrs. Susie Whitmire of Brevard and Miss Tela Pierson of Norton, and one brother, Mr. Harley Pierson, and her husband, Wiley Galloway.

The funeral was conducted at the Norton cemetery by Rev. Dryman. A large concourse of friends were present, and a wealth of flowers, tokens of love and friendship, were piled in profusion until her final sleep was on a bed of flowers.

A FRIEND.

CARELESSNESS

Some one dropped an orange peel carelessly upon the walk, little recking that some heel, stepping there, would cause a shock. Some one else came blightly down, full of happiness and cheer, then he slid all over town and the suburbs on his ear. Then for seven months about, on a couch of pain he lay, and the language he put out made the nurses turn away. Thus we see his moral state underwent an awful shock, all because some trifling skate dropped a peeling on the walk. Some one dropped some carpet tacks on a quiet thoroughfare where the autos make their tracks when the days are bright and fair; then a load of idle rich down along that highway tofe; still I hear the rancous pitch of their voices as they swore. Sorrow then succeeded mirth in the twinkling of an eye, and the men folks pawed the earth, and the girls sat down to cry. Some one idly threw a brick at a passing butterfly, and it made a neighbor sick, for it hit him

in the eye. Some one's doing careless things every minute of the year and his folly always brings grief to some poor duffer near; as I write these earnest knocks I have got a broken jaw, caused by some one throwing rocks, and there ought to be a law.

WALT MASON.—News Observer.

Mrs. Mary Foster Bryner of Chicago, Ill will visit Bryson City on next Friday night and will speak in the Babtist Church at eight o'clock. Mrs. Bryner works throughout all North America has no superiors in this field in her line.

In Mexico she has wrought out splendid system of Sunday School work that is so statesman like in its character that it has appealed to the thinking world as a great modern achievement.

Mrs. Bryner is associated with great business men like John Wannamaker, the prince of merchants; Mr. H. J. Heinz, the great pickle man of "fifty-seven varieties;" Frank L. Brown, a wealthy banker of Brooklyn, and scores of other who are pushing this great world movement.

She will speak there of the mammoth plans that are now being made for the world's Sunday School Convention which is to be held in Zurich Switzerland next July, for which five large ships have been chartered to carry delegates from America alone, to say nothing of the large numbers that will attend from other parts of the world. She will speak also of the six great world tour parties that will go to all parts of the world and end their journeys at Zurich to attend the World's convention in a body.

She will speak incidentally of the present uprising in Mexico and what the outcome is to be.

If necessary, our people should make a sacrifice to hear this distinguished lady American who will be so near us this one time. She will be accompanied by J. Walter Long, General Secretary, North Carolina Sunday School Association.

This meeting is for all denominations and the public generally. No admission fee will be charged but a collection will be taken to defray incidental expenses.

The people of Jackson County and especially the people near the

railroad should take advantage of this rare opportunity. It was not possible to get her to stop in Sylva since she is rushing through this part of the State.

WILMOT.

The dedication sermon was preached by Rev. R. L. Cook last Sunday at Wilmot Baptist church. There were about three to five hundred people present and plenty of dinner brought in baskets by the good people of Wilmot. Hurrah for old Wilmot. We had the Shoal Creek choir with us. There was good order in and around the church. Rev. T. D. Watson preached a most enjoyable sermon at 3 P. M.

Mrs. Maggie Slaygle and a number of other Sylva people were here Sunday and were welcomed by the people of Wilmot.

There were visitors from Barkers Creek, Addie and in fact a large crowd from different parts of the county were here.

R. B. Ward is having some logging and sawmilling done on the milkhouse Branch.

The Wilmot bridge is in a very bad condition and has been condemned by the commissioners. We hope that the necessary repair will be made at once.

J. S. Sellers is talking of selling out at this place.

Brother M. M. Buchanan and wife and T. M. Buchanan and wife called for their church letters last Saturday. Their request was granted.

FIRE AT BREVARD.

Brevard, Feb. 21.—"Katolah," the handsome residence of the R. G. and J. B. Stone, was burned to the ground about 11 o'clock today. House and contents are a total loss. The house situated in a beautiful park, was formerly owned by A. E. Boardman of Wilmington, and was bought recently by the Stones of Greenville, S. C. The new owners were unable this morning to say whether the place was insured. The fire is supposed to have started from a flue. "Katolah" was occupied last summer by Mrs. Bridges and daughters. The loss will range between \$7000 and \$10,000, the owners state.—Gazette News.

BUT 18 TYPHOID CASES

In view of the remarkable results achieved from the use of typhoid vaccination in the army, navy and civilian institutions, the war department is to urge the general use of the vaccine in all militia organizations. Records for the calendar year just ended show that there were only 18 cases of typhoid in the United States army, six occurring among those immunized.

The militia division has sent a circular to the adjutant-general of the various states, extolling the efficiency of the typhoid prophylactic and suggesting that the militiamen be urged to submit to the vaccination voluntarily. In addition, Surgeon-General Torney also recommended that, whenever it becomes necessary to mobilize troops in the field, the vaccination order be made compulsory.

Hon. W. D. Wike returned to his home at Cullowhee, Sunday on the account of the illness of Mrs. Wike.

John Morris was down from Cullowhee the first of the week, visiting his parents Mr. and Mrs. Morris.

Mrs. J. B. Sherrill left for Atlanta Monday to purchase the spring stock for the Sylva Millinery Co.
