FRIDAY MARCH 28, 1913

For the benefit of the readers of
the Journal, we will begin, next
week, the publication of the Court
House and the Road Acts as passed
by the General Assembly and will
publish both in their entirety, as
soon as possible.

The city election for mayor and
the board of aldermen is to be held
the first Monday in May. It would be
well for the citizens of Sylva to
think about who can best fill the
positions. Pick out the men whose
views in regard to the administra-
tion of municipal affairs correspond
with your own, and then vote for
them.

The unprecedented cold weather
that the weather bureau predicted
didn't materialize. But we suppose
the boys in that department have
to have something with which to
amuse themselves.

NOTICE.

Pursuant to statute enacted to
session 1913 of the General Assem-
bly of North Carolina, there will be
an election held at each precinct in
Jackson county on Thursday, May
8th, 1913, on the question of removal
of the County Seat to Sylva. Reg-
istration books will be opened in
each precinct as provided by law in
general elections for members of
the General Assembly.

March 21st, 1913.

RESOLUTIONS OF RESPECT.

Whereas, it has pleased our Heav-
enly Father to call from time to
eternity Mrs. Wm. Bryson, mother
of two loyal members of our society.

Therefore let it be resolved—First,
That we, the members of The Col-
umbian Literary Society, bow in
humble submission the will of our
all-wise Heavenly Father.

Second. That we tender to the
bereaved family our deepest sym-
pathy in their contest trial, and point
them to our Father in Heaven for
comfort.

Third. That a copy of these re-
solutions be placed upon the min-
utes of the Columbian Literary So-
ciety, a copy be sent to the Jackson
County Journal for publication, and
a copy be sent to the family of the
deceased.

Y. M. C. A. ENTERTAINS

On Monday evening, March 24,
the Y. M. C. A. of the Cullowhee
Normal and Industrial School enter-
tained the Y. W. C. A. with an
"Easter Evening" at the Dormitory.
The occasion was one of the most
refined and delightful of the school
year. The Cabinet officers of the
Association stood in receiving line
until all the guests were greeted;
after which an Easter Egg hunt af-
forded lively amusements, eight
dozen eggs having been skilfully
concealed here and there in the
parlors, halls and offices of the
building.

The program was then carried

by an exciting "observation game"
in which Misses Kate Hayes and
Margaret Campbell were awarded
"the golden egg" for recording the
largest number of articles in rapid
observation. Refreshments follow-
ed.

The plan of the entertainment
was originated and gracefully ex-
ecuted by the committee, the leading
spirits of which were Mrs. Mary
Carter Brinson and Mrs. Obie Sande-
ford Dean.

This is but one of the delightful
occasions of the school year, in
which the social life of the students
is being cared for under proper su-
pervision and control.

DIX CREEK.

The times are prosperous. John
Maney, from Buncombe county, is
starting up logging and saw mill
work on the creek.

Dan Shook broke his left leg, last
Thursday, about six inches above
the knee. Dr. Hooper, of Sylva,
was summoned and set the fractur-
ed limb. Mr. Shook is doing nicely.

Rev. Wm. Anthony preached here
Saturday and Sunday, to a large
congregation. He will organize a
Sunday school at this place next
Sunday.

Mrs. Cab Gibson visited her moth-
er at Canton last week.

Born to Mr. and Mrs. C. S. Jenk-
ins, a daughter.

Charlie Dills has moved to Can-
ton.

Henson Gates is on the sick list
so much that he was obliged to
quit his logging job. A READER.

THE CAUSE OF RHEUMATISM.

Stomach trouble, lazy liver and
deranged kidneys are the cause of
rheumatism. Get the stomach, liv-
er, kidneys and bowels in healthy
condition by taking Electric Bitters,
and you will not be troubled with
the pains of rheumatism. Chas. F.
Allen, a school principal, of Sylva,
Ga., writes: "All remedies failed
until I used Electric Bitters, but
four bottles of this wonderful reme-
dy cured me completely." Maybe
your rheumatic pains come from
stomach, liver and kidney trouble.
Electric Bitters will give you prompt
relief. 50c and \$1.00. Recommend-
ed by all druggists.

Health And Corset.

In these days we have begun
to make health our first consid-
eration. The days of folly and
superstition along the line of
health and comfort are over and
a new day has dawned. For a
number of years the medical fran-
ternity has condemned the cor-
set as one of the greatest menaces
to the health and vitality of
womanhood. But at last a solu-
tion has been found. SPIRELLA
CORSET, is one that is not only
not placed with others as being
detrimental to health, but lead-
ing physicians commend and ap-
prove it. The Spirella Corset
LOOKS WELL FITS RIGHT, and
is a "HEALTH" BUILDER.
