

LIVE STOCK.

Spencer, N. C., April 11.—To improve facilities for properly handling the growing movement of live stock to Eastern and Virginia markets from the Southeastern states, the Southern Railway is now completing a modern plant for resting and feeding stock on property adjoining the Spencer yards.

The plant consists of 33 pens, 20 of which are covered. All pens and alleys are paved with one foot of cinders and are located on a gentle slope, providing natural drainage. Each pen is provided with water trough and feed rack, and the entire plant is electrically lighted. Nine pens are set apart for cattle from the quarantined area and are separated from the others by a solid board wall ten feet high. As all cattle are unloaded at Spencer for feed and rest, this convenient plant will prove an important facility for stock growers.

Construction of this plant is in accordance with the policy of making every effort to aid the live stock industry in the territory along its lines. The accuracy with which it has been constructed and the special train service for stock from points where business is offered and the live stock department is endeavoring to interest farmers to disseminate useful information, and to contribute in every proper manner to the upbuilding of the industry.

Don't be surprised if you have an attack of rheumatism this spring. Rub the affected parts freely with Chamberlain's Liniment and it will soon disappear. Sold by ALL DEALERS.

My little son had a very severe cold. I was recommended to try Chamberlain's Cough Remedy, and before a small bottle was finished he was as well as ever," writes Mrs. Silks, 29 Dowling Street Sydney, Australia. This remedy is for sale by ALL DEALERS.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

Notice.

Is hereby given that the board of Elections of Jackson County have changed the boundaries of Sylva, Webster and Cullowhee voting precincts to conform with the boundaries of Sylva, Webster and Cullowhee townships as amended by an act of the General Assembly of 1913 entitled "An act to change and definitely establish the boundary lines between Sylva, Webster and Cullowhee townships in Jackson County," and that these lines will govern in the special election to be held on the second Thursday in May, 1913.
THIS MARCH 24TH, 1913.
Coleman C. Cowan,
Clerk.

WHY HE WAS LATE.

"What makes you so late?"
"I met Smithson."
"Well, that is no reason why you should be an hour late getting home to supper."
"I know, but I asked him how he was feeling, and he insisted on telling me about his stomach trouble."
"Did you tell him to take Chamberlain's Tablets?"
"Sure, that is what he needs."
Sold by ALL DEALERS.

NOTICE.

Pursuant to statute enacted to session 1913 of the General Assembly of North Carolina, there will be an election held at each precinct in Jackson county on Thursday, May 8th, 1913, on the question of removal of the County Seat to Sylva. Registration books will be opened in each precinct as provided by law in general elections for members of the General Assembly.
March 21st, 1913.
