

SPEEDWELL.

The people of Speedwell are very busy now with their farm work and discussing the removal of the Public buildings to Sylva.

I understand that Hon. Walter E Moore is billed to speak at Norton Glenville and Erastus on the Court House removal. Mr. Moore had a bill passed when he was a member of the Legislature to move the public buildings to Sylva. It is hard for the writer to tell which side Walter is on, of course he hopes to be on the top side, but it is hard for him to tell which side that is going to be. He no doubt will find out on the 8th day of May 1913.

D. D. Wall has secured a saw-mill and will get to sawing lumber soon.

David Rogers has a nice lot of logs cut and yarded, and Dr. Seago is preparing to saw them.

Born to Mr. and Mrs. George Clouse a girl.

Born to Mr. and Mrs. H. D. Pressley a girl.

John Rogers has sold his stock of goods to J. J. Cowan.

Miss Dollie Rogers is sick, but her many friends hope for her speedy recovery.

Our industrious Road over Seer is doing some nice work on the roads now, and the roads are getting in fine condition.

The people are figuring on building a new school house at Speedwell soon. Supt. Brown was up a few days ago in the interest of the move.

THE HOME KITCHEN

Paint your kitchen walls and woodwork white above the wainscoting. It keeps soiled hands away. Its cheerful brightness is always inviting. One quart of Turpentine added to one-half gallon of L. & M. Semi-Mixed Real Paint makes 3 quarts of the highest grade of pure paint, and it is enough to paint a kitchen and two more rooms. For outside painting the very highest grade of long life paint, is made by adding three quarts of pure Linseed Oil to each one gallon of L. & M. Semi-Mixed Real Paint sold by Sylva Cash Store.

\$100 Rewards, \$100
The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.
