Flood Disaster

Moving Pictures of the Dayton Flood here SATURDAY NIGHT

People who have seen this picture say that it is good. We have two comic pictures that we will show too.

Don't fail to see this thrilling picture

There are many daring acts shown in this picture. It also shows the havoc of wind and fire.

Admission 25 and 15c.

Madison Co. Court House which was recently built, at a cost of \$26,000. Mr. Harris guarantees to duplicate this building and a jail as good as the one at Webster for \$30,000.00.

Population of Madison County is 22,132 and that of Jackson 12,998 and the difference is 9,134 so you can readily see that a court house the same as this will accommodate this county for years to come.

Mr. Harris has made and filled a bond with the Clerk of Court that court house, jail will not cost the county over \$30,000. What does this mean? This means, that Mr. Harris will have to build the buildings if there's no bid less than this, also the building committee has signed a statement that they would not spend more than this amount.
