BLUE RIDGE FAIR ASS'N ORGANIZED.

The Blue Ridge Fair Association of Blue Ridge township and vicinity was organized at Dana last Saturday with the following officers:

P. T. Ward, president; T. E. Renshaw, vice president; E. B. Freeman secretary.

Board of Directors: R. H. Scadin, Jonathan Case, Samuel Rau, E. G. Edney, J. T. Staton.

With reference to the prospects of a most successful fair and the cooperation offered the Greater Hendersonville club in its movement for a fair Secretary Freeman had the following to say to a representative of the Democrat:

"Another meeting will be called for Friday afternoon, May 9, to make further arrangements for the fair. Every one seems to be taking an interest and the indications are that we will have an excellent fair. We note the Greater Hendersonville club expects to ask us to set aside one day as Hendersonville day." This is an excellent idea and we will be glad to do this and we will put every effort to make it the "greatest" Hendersonville day." —Western Carolina Democrat.

Overwhelming Majority for Removal of County Seat FROM WEBSTER TO SYLVA, N. C.

Election Conceded to Removalist by 10 O'clock.

Majority is From 700 to 800

The People Make Sylva the County Seat of Jackson.

In Thursday's election on the removal of the county seat from Webster to Sylva the Removalists swept the county by the overwhelming majority of from 700 to 800 with six of the fifteen townships yet to report, out of these Caney Fork and Canada are conceded to Sylva by large majorities and the other four, Hamburg, Mountain, River Cashiers are doubtful. The Removalists have carried every township heard from with the exception of Webster. Scott's Creek, Qualla and Barker's Creek were almost unanimous in favor of removal while the vote at Dillsboro was three to one for removal. The majority for removal in Sylva was 290. Early in the day reports began to come in from the townships on the railroad and voting at Sylva was heavy, so by nine o'clock it was seen that a victory for removal was assured and it was only a question of how large the majority would be. In the nine townships reported the majority is 835. Sylva is now the county seat.

This landslide eliminates any possibility of a contest on account of the dispute as to whether a majority of the votes cast or of the registered vote was required. There were very few stay-at-home votes and the strength of the county was polled, giving the removalists an overwhelming majority of the votes cast and a large majority of the qualified voters.

This has been the most interesting and most hotly contested campaign in the history of the county. The vote in the nine townships reported was:

	For removal	Against removal
Scott' Creek		
Addie	55	4
Willetts	66	2
Balsam	77	2
Barkers C	138	7
Callowhee	91	78
Dillsboro	101	27
Greens Creek	48	30
Qualla	192	15
Savanna	63	57
Sylva	302	12
Webster	28	93
	1161	326
Majority for removal	835	

Later returns from Caney Fork and River increase the majority for removal to 867 with four precincts Cashiers, Mountain, Hamburg and River yet to hear from.

The vote in Caney Fork and River was

	For removal	Against removal
Caney Fork	105	42
River	37	68
	142	110
Total	1303	436
Majority	867

WOMAN IS DROWNED EVIDENCE OF SUICIDE

Special to The Gazette News.

Waynesville, May 7.—When the children of Mrs. Newt. Leatherwood returned from their work in the field to their home at White Oak yesterday about noon, they found that their mother had disappeared. They instituted search and several hours later her body was found just below a dam in Richland creek. Her shoes were on the bank, evidence that the woman had committed suicide. Mrs. Leatherwood had long been in bad health and had suffered mental aberration, but was thought to be of sound mind just before her death.

The children went to their work early in the morning and did not return until noon. When they found that their mother was not at home they began to search for her. Below the dam of the Waynesville Power and Light company on Richland creek, not far from the home, they found her shoes. Later, the pool below the dam was dragged and her body almost naked, was brought to the surface. The deceased leaves a husband and several children. Her father, Frank Messer, lives here, and her brother has a store here. She was 45 years of age.

The funeral takes place tomorrow at 3 p. m. at the White Oak Baptist church; and the interment will be at the Fines Creek cemetery.

LITTLE GIRLS CAPTURE STILL

Dorothy Moore and Janie Coward, two little girls, discovered a distillery within a half mile of their homes at Webster, Sunday afternoon. They were out walking in the woods near Webster when a dog fell in an old mining shaft. The girls went in in search of their dog and found a complete distillery, covered with leaves and brush, they fished it out and carried it to Webster, where they turned it over to the authorities. Each of the little girls received a reward of \$10.00 for their discovery.

We recommend these girls to the Revenue Department.

TWO BOYS SHOT

While carelessly playing with a pistol Sunday afternoon in the Tuxedo section, two boys about thirteen years old were accidentally shot.

Unless complications set in the wounds will not likely prove serious. Dr. A. B. Drafts and Dr. J. Frank Cranford attended the young men and dressed the wounds. The Capps boy who was holding the gun suffered a shot wound in one hand and the same shot glazed the left side of the son of J. L. Pace.

Although the wounds were not considered dangerous by the physicians they were quite painful and the youngsters were very much frightened over the accident.—Western Carolina Democrat.
