The contest has been running only one week but in that time quite an interest has been aroused in it. The more contestants the merrier the contest. Get in and make the others hustle for the prize.

The Contest is still young, but its success is a very important time. No obligations, what ever are attached to entering this contest, and it costs absolutely nothing to win. BRESEE MAY SERVE TERM IN THE COUNTY JAIL

Washington, July 28.—President Wilson is not disposed to interfere with any sentence which may be imposed upon William E. Breese, convicted in connection with the failure of the First National Bank, of Asheville, it was learned today when Senator Overman and Congressman Guoger called at the White House in his behalf. The president is inclined to keep hands off, but may possibly order that Breese be permitted to serve what ever sentence is imposed upon him in the county jail in preference to the penitentiary, owing to the precarious condition of his health. —Asheville Citizen.

FLORIDIANS CHOOSE HENDERSON COUNTY

Confirmation of the final details in the purchase of the 700 acres of land near Hillgirt, Henderson county, by the colony of Floridians who reside at and around St. Petersburg, came in the form of a telegram yesterday, which conveyed the information that building operations are to be started at once.

This means that practically a new town will be started near Hendersonville very soon, the Summer Home Colony, of St. Petersburg, contemplating the erection of 200 summer homes in this section of the State. It is expected that representatives of the St. Petersburg organization will arrive here in the next few days to start the building activities.

Mrs. Ellen Picklesimer is visiting relatives at Cashiers Valley.

ANTI SALOON WORK STARTS AT SALISBURY

July 28.—Field work by the North Carolina Anti-Saloon League was started in Salisbury yesterday by Rev. R. L. Davis, state secretary and a corps of workers. The campaign as started in the in Salisbury will be carried on throughout the state and war will be waged in all quarters against blind tigers and the whiskey traffic.

SCHOLARSHIP CONTEST

The details of the college scholarship contest in which the Western North Carolina Fair Association will give away free a number of scholarships in the leading educational institutions of this State have been completed and in an advertisement in this issue of the Journal the Fair Association announces that the contest will open on August 18.

The Association is laying great stress on the educational features of the Fair work and in giving these scholarships it is determined that several boys and girls by a little pleasant work at spare moments will be enabled to enjoy educational advantages which they perhaps would not otherwise receive.

The work will consist of selling season tickets to the Fair, and making and securing entries of exhibits for the fair.

A basis on which points of service will be scored has been worked out whereby a contestant in a remote rural district will have the same opportunity to win a scholarship as will be enjoyed by a contestant in or near Asheville.

The following colleges, which have listed scholarships with the Fair Association for distribution to contestants serve to show the importance that has been attached to this educational feature of the Fair:

The Asheville School for Girls, Christ School at Arden, Cullowhee Normal and Industrial School, Davidson College, Elon College, Mars Hill College, Normal and Collegiate Institute at Asheville, St. Genevieve's College at Asheville, State College of Agriculture and Mechanic Arts, State Normal and Industrial, State University, Trinity College, Weaver College, Asheville Business College, and Emanuel Business College at Asheville.
