

**NOTICE OF EXECUTION OF SALE**  
In The Superior Court.  
North Carolina,  
Jackson County.

C. F. Rhinehart and I. H. Powell,  
Trading under the firm name and  
Style of Rhinehart-Powell Company  
Vs.  
L. C. Wilson  
By virtue of an execution directed to the undersigned from the Superior Court of Jackson County, North Carolina, in the above entitled action, bearing date of July 29, 1912, I have levied the said execution upon and will, on the first day of September 1913, the first Monday in the month, at 12 o'clock M., at the Court House door in the Town of Webster in said County and State, expose for sale and sell to the highest bidder for cash to satisfy said Judgement and execution, all the right, title and interest which the said L. O. Wilson, the defendant, has in the following described tracts of land, to-wit:

**FIRST TRACT.**

Beginning on a bead-wood bush in branch, K. A. Nicholson's corner, and runs thence south to a lynn in Bill Wood's line thence East to Ham Brown's corner; thence North with L. O. Wilson's line to G. T. Nicholson's line to the beginning, containing 10 acres more or less.

**SECOND TRACT.**

Adjoining the lands of G. T. Nicholson, J. M. Nicholson, J. B. Price and others:

Beginning on a black-oak in G. T. and J. M. Nicholson's line near the pig pen branch, and runs South with Nicholson's line 68 poles to a service tree in a branch in said line, thence S. 56 degrees E. and up the branch 19 poles to a stake; thence S. 2 degrees E. 4 poles to a spotted-oak; thence S. 19 degrees W. 28 poles to a locust in John Price's line, and 91-2 poles East of his maple corner of old grant; thence East with said old line 37 poles to a stake in said line; thence North 51 poles to a black-oak; thence N. 44 degrees W. 24 poles to a sourwood; thence N. 32 degrees W. 40 poles to the beginning, containing 141-2 acres.

**THIRD TRACT.**

Beginning on a stake in the line of J. B. Price and K. A. Nicholson on the South bank of John's Creek road, and runs 10 degrees N. 121-2 poles to a stake and pointers; thence N. 51 degrees E. 13 poles to a stake and pointers; thence N. 16 degrees W. with said old line 14 2-8 poles to the beginning, containing one acre.

This the 1st. day of August, 1913  
J. W. Buchanan,  
Sheriff of Jackson County.

**HEALTH AND HYGIENE.**

What's a baby worth? Well that depends. When a baby's life is in peril we are all ready to go the limit. We are willing to go as far as human endurance and our means will permit. When Mrs. Madeline Force Astor, widow of the late John Jacob Astor, who perished with the Titanic, gave birth to a son, somewhere between \$40,000 and \$45,000 was spent for medical attention alone. Mrs. Astor was probably worth about thirty million dollars.

Well, you say, that is all right, they can stand it. Did you know that North Carolina admits on her tax lists that she is worth over twenty times as much as the Astor widow, and yet our State does not appropriate for public health purposes, the protection of babies children and adults, altogether but \$42,000 a year? There is something wrong about this comparison. Either our boasted Southern Chivalry is resting on its laurels and taking no care of its people, or Mrs. Astor is too crazy about her baby.

**Good Roads in Durham.**  
Durham—The county road force has completed that part of the central highway in Durham county and when Orange county connects with this road leading out of West Durham there will be a good road from this city to Greensboro. One gang of the convict force is now working on the Durham end of the Quebec and Miami road, which is known as the Oxford road. It will take something like three months to get a four-mile gap in this road put into the proper condition for travel.

**Held On Serious Charge.**  
Greensboro—W. C. Tise, a Winston-Salem business man, and his stenographer, Miss Lillie Tess, are under bonds of \$400 to appear in police court and answer to charges of immorality. Some time ago the woman came to Greensboro and took apartments and to her a child was born. After the birth, man, woman and child left in an automobile. The child was left with a woman in the suburbs of Winston-Salem, where it died. Investigation when a burial certificate was requested furnished the clue.

**To Start Drainage Work.**  
Fayetteville.—The Brett Engineering & Construction Co. of Wilson has been awarded the contract to do the excavating work in connection with the drainage of the swamp lands of Flea Hill township. The work will be begun as soon as the commissioners of the drainage district sell the bonds. The property will be assessed according to the classification of the lands which will be made before the sale of the bonds. The Brett Company was given the contract at 6.37 cents the cubic yard.

**SILAGE FOR ONE ACRE.**  
A yield of 12 tons of silage may easily be obtained from one acre of corn. Allowing 30 pounds of silage as a daily ration, one acre of corn will furnish four cows with silage for 200 days.

**SHED FOR SUNNY DAYS.**  
A good covered shed well bedded with straw, will make a fine place for the cows to lie in on days when they can not go out in the fields. It will also help you to get a nice lot of manure.

**FEEDING JUST ENOUGH.**  
In feeding cows do not give them more than they can use readily. Any feed that is left in the mangers after the cows are through will naturally represent a certain amount of waste.

**States Great Progress.**  
Referring to the dependence of production upon highways to market, Mr. Finley said it was not a mere accident that the progress of North Carolina in recent years had been coincident with the development of more efficient transportation agencies. Re-

Mr. W. S. Gunsalus, a farmer living near Fleming, Pa., says he has used Chamberlain's Colic, Cholera and Diarrhoea Remedy in his family for fourteen years, and that he has found it to be an excellent remedy, and takes pleasure in recommending it. For sale by ALL DEALERS.

**Beware of Ointments**  
**Catarrh That Contain Mercury**  
as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free.  
Sold by Druggists. Price 75c per bottle. Take Hall's Family Pills for constipation.
