POWER PLANT MOVED.

The power plant of the Dillsboro and Sylva Electric Company has been removed temporarily from Dillsboro to Sylva until the work on the big dam on the Tuckasegee river at Dillsboro has been completed.

The reason for removing for so short a time is that since the dam on the creek broke some time ago it has been hard to give satisfaction and it is believed that this can be done by attaching the machinery to the engine at the C. J. Harris Lannery.

BAPTIST ASSOCIATION.

The Tuckasegee Baptist Association is in session at Webster. Quite a number of people from Sylva and other points passed through Thursday enroute to Webster to attend the meeting and it is believed that attendance will be unusually large.

The Journal will give an account of the Association in the next issue.

"I was cured of diarrhoea by one dose of Chamberlain's Colic, Cholera and Diarrhoea Remedy," writes M. E. Gebhardt, Oriole, Pa. There is nothing better. For sale by ALL DEALERS.

BIBLE CONFERENCE A GREAT SUCCESS.

The first session of the Western Carolina Bible Conference closed Sunday night with a masterful sermon by Dr. Caleb A. Ridley D. D., of Atlanta Ga. was a pronounced success in every particular from start to finish.

It is unfair to give any speaker especial mention as each one gave messages that are master pieces.

Dr. W. E. Abernathy, of Greensboro stated that he had attended conferences of this character in various parts of the nation and where the speakers were men of international reputation and that the speaking at the Western North Carolina Bible Conference at Sylva compared very favorably with any he has ever heard.

The principle speakers were Dr. Ridley and G. N. Cowan, both of whom were present throughout the entire conference and delivered addresses every day. Dr. Abernathy captivated the congregation in his three sermons, "The Fatherhood of God", "Man as the child of God" and "The power of God through Man."

Rev. Theo. Davis delivered two addresses, Dr. W. H. Rich, of Elberton, Ga. preached three times, Prof. O. S. Dean spoke three times, Rev. J. J. Barker delivered an address, Rev. W. H. Tipton and Mrs. Tipton spoke on foreign missions, Rev. L. D. Abernathy delivered three eloquent sermons, Prof. Middleton lectured, Presiding Elder Cordell preached an excellent sermon, Prof. Woodall spoke of the Bible, and Rev. A. H. Simms preached several times during the conference.

Sunday was the gala day. Dr. Rich spoke in the morning followed by Dr. W. E. Abernathy, Rev. G. N. Cowan and Dr. Ridley spoke in the afternoon and Dr. Ridley preached again at the evening service.

The attendance was large during the entire conference.

Plans were perfected for the holding of another conference at Sylva next summer and it is believed that the one a year from now will even surpass the one just held as the finances have been secured and the committees will begin their work at once preparing for the second Annual Meeting of the Western Carolina Bible Conference.

BUILDING COURT HOUSE

The work of grading the street up to the court house site has been completed and the excavations are being made for the buildings. A number of wagons are engaged in hauling material from the depot and placing it on the grounds where it will be convenient for the workmen so they will not be delayed when they start to work on the foundations and walls which will be as soon as the excavations can be finished.

At the monthly meeting of the County Commissioners the tax of 25cts. on the hundred dollars valuation of property and 75cts. on the poll was levied to pay the county's \$10,000 1913 as provided under the court house law.

HEAVY DERRICK FALLS ON CANTON YOUNG MAN

CANTON, Aug.—(Special)—John King, a well known young man of this place was suddenly killed while at his work here this morning when a heavy derrick fell and struck him upon the head. Although medical aid was called and responded immediately, he was dead before a physician arrived on the scene.

King and other men were at work replacing some foundations beneath the ice factory and a store building, where they had been washed away by recent heavy storms. The derrick about twenty feet high, was being used to hoist the buildings while heavy beams were placed beneath them. In some way the derrick was allowed to fall and the unfortunate young man was struck down without any warning whatever. The accident occurred before any of King's fellow laborers were fully aware of what had happened.

Mr. King was a son of Martin Kin, a well known farmer and business man. He is survived by a wife and four children and leaves several brothers. Announcement has not yet been made as to the funeral arrangements. No coroner's inquest is likely to be held. Dr. J. M. Russell, the county coroner, being one of the physicians who attended the decease after the accident.

KILLING AT ALEXANDER

Asheville, Aug. 11.—Dr. W. J. Clontz, 59 years old, of Alexander N. C., 8 miles from this city, one of the best known physicians in this section of the country was shot and killed on the streets of Alexander about 5 o'clock this evening by J. M. West, three bullets, any one of which might have caused death, taking effect in the breast and left side. Dr. Clontz died less than half an hour after the shooting, which is said to have been the result of a feud of four years' standing.

West, who is a rural mail carrier met the deceased in front of the postoffice, and with no other warning, it is said, than the remark: "I hear you are going to kill me: throw up your hands," drew a 44-calibre revolver, and fired point blank at the doctor, who fell to the side walk, bleeding copiously from the three wounds inflicted.

West surrendered to a local constable and was later brought to this city by a sheriff's deputy and lodged in jail, charged with murder, bail being refused up to 11 o'clock tonight.

Various reports are afloat as to the cause of the shooting, and the general drift of these point to domestic difficulties dating back four years ago, just prior to the death of Dr. Clontz's wife. During this period, it is said, "bad blood" has existed between the doctor and West, and neighbors allege that threats had been frequently bandied between the doctor and the mail carrier.

The deceased is survived by three children, two married daughters and a son, the latter being unmarried. It is expected that the inquest will be held late tonight.—News and Observer.

TAR HEAL WOMEN WANT BALLOT?

A number of states, eleven we believe, have already extended the privilege of voting to their women citizens. In North Carolina a league has been formed for the purpose of getting this state to join the ranks of those who already have equal suffrage. The following from Morganton shows that the women of Burke county are alive to the issue.

Following up the suffrage parade on the 4th of July celebration at Morganton, a meeting was held at Mrs. Isaac M. Taylor's for the purpose of organizing into a club those in sympathy with the woman's suffrage movement.

Mrs. F. W. Hossfeldt was unanimously elected president, and Miss Pearsall, secretary. It was agreed to name the association the Morganton Equal Suffrage League.

Mrs. Hughson, Mrs. Taylor, and Miss Julia Ervin were appointed to formulate the aims and purposes of the association which are as follows:

1. Its purpose is to aid in securing equal suffrage for women in the State, by which she may obtain "her just and equal rights of property and person." She is a citizen, subject to taxation, and should have a voice in making the law by which she is governed.

2. She is intrusted as mother and teacher with the up-bringing of the child, the future citizen, and she is particularly fitted to legislate in all matters pertaining to the protection of childhood and youth. She is the guardian of purity in the home, and her influence in politics would be thrown with overwhelming force against the organization of vice and liquor trusts. She has entered the industrial world, and must assume the regulation of the laws now so frequently violated which shall secure to women workers proper sanitary surroundings, restricted hours and adequate pay and a law enforcing a proper age limit for children.

STOCK TRAIN ON SEPTEMBER, 4TH.

Atlanta, Ga., August 13.—To enable growers in Western North Carolina, East Tennessee, and South-west Virginia to promptly forward live stock to Eastern and Southern markets and to Virginia feeding grounds, the Southern Railway has arranged to operate a weekly fast special live stock service such as was operated last year. The service this year, however, is to include points on the Virginia and Southern Railway between Appalonia, Va., and Bull's Gap, Tenn., and will cover a longer period, beginning on September 4th and continuing until December 31st, according to announcement made today by Live Stock Agent F. L. Word.

Each Thursday, during this period trains will be started at early morning hours from Ooltewah Junction, Harriman Junction; Bristol and Appalachia. These will be consolidated at Morristown, leaving the New Line yard at 2:45 P. M. arriving Asheville at 9:25 P. M. Trains will also be started from Murphy, N. C., and Rosman, N. C., on the Transylvania division, arriving Asheville in the early evening. At Asheville the stock will be made into trains and run special to Spencer which will be reached before 10 A. M. Friday. Here stock will be fed, watered, and rested in the commodious and modern plant which the Southern Railway completed only a few months ago. Friday afternoon trains will leave Spencer, giving arrival at Groensboro 7:10 P. M. and Danville 9:55 P. M. Friday, Raleigh 1:55 A. M. Goldsboro 11 A. M., Richmond 7 A. M., Lynchburg 4:40 A. M., Charlottesville 10:50 A. M., Manassas 4: P. M., Potomac Yards 6:45 P. M. Saturday stops will be made at points between Orange Manassas to deliver feeders and a special train will leave Manassas at 4:30 P. M. to deliver feeders to points on the Manassas and Harrisburg branches. Information as to this service will be furnished by any agent or by F. L. Word, Live Stock Agent, Atlanta, Ga.

LECTURE MONDAY NIGHT.

In order to accommodate the convenience of the people the men in charge of the Hook Worm campaign decided to give the lecture at Webster last Wednesday night instead of Sylva as was advertised and to postpone the lecture at Sylva until Monday night at eight o'clock.

"Better 'No' before marriage than 'Re-no' after marriage," is a quaint and quick sentence which the Religious Herald quotes from Rev. J. Compton Ball, a Baptist pastor in Washington City.—Biblical Recorder.
