THE MEN WHO SUCCEED as heads of large enterprises are men of great energy. Success today, demands health. To ail is to fail. It's utter folly for a man to endure a weak, run-down, half alive condition when Electric Bitters will put him right on his feet in short order. "Four bottles did me more real good than any other medicine I ever took," writes Chas. B. Allen, Sylvania, Ga. "After years of suffering with rheumatism, liver trouble, stomach disorders, and deranged kidneys, I am again, thanks to Electric Bitters, sound and well." Try them. Only 50 cents at The Sylva Pharmacy.
