engineer (who would require constant supervision) in order for him to have the experience necessary to make the responsible and expert official needed to take entire charge of the work of a county or township. For this reason we believe that the State should establish, equip and support a department which would be enabled to employ enough engineers to do the work of the counties, and which would, in a way, be a training school for the development of engineers of sufficient ability, and numerically enough to meet the needs of the State.

MARGARET CANDLER ENTERTAINS.

Last Thursday evening little Miss Margaret Candler entertained a few of her friends at a little party to mark the passing of vacation.

A very pleasant evening was spent in playing games that girls enjoy. Afterwards refreshments were served.

Those present were Misses Pearl and Mamie Long, Dorothy McKee, Callie Davis, Carrie Bryson, Bessie Ensley, Lavinia Picklesimer, Katie McKee, Lucy Wells, Margaret and Elizabeth Candler.

A. B. Allison of Webster was in town yesterday.

Daniel Snyder and wife of Lyman Washington are seeing old friends in Jackson.

The implicit confidence that many people have in Chamberlain's Colic, Cholera and Diarrhoea Remedy is founded on their experience in the use of that remedy and their knowledge of the many remarkable cures of colic, diarrhoea and dysentery that it has effected. For sale by ALL DEALERS.
