YOUTH ELECTROCUTED AT MURPHY SATURDAY

Wilbur McGuire, the seventeen-year old son of Mr. and Mrs. Mike McGuire, of Murphy, N. C., was electrocuted by a falling wire at Murphy last Saturday afternoon, dying instantly, according to reports received here yesterday. The wires were heavy from a steady rainfall, and one of the posts was rotted away at the base, according to the story which reaches here, and the post gave way under the weight of the wires. Young McGuire was walking across the street just as the pole fell, and the maze of wires enmeshed him, among the wires being the main feed wire from the power plant which supplies the town of Murphy with light. This wire fell directly across the youth and he died almost instantly from the effects of the current. The funeral was held Sunday afternoon interment being at Murphy cemetery.—Citizen.

SPEEDWELL

The writer made a flying trip to Hamburg on September 2nd, to take dinner with his mother on her 90th birthday. All her children took dinner with her except Elbert Watson, who is a resident of Yancey County, N. C. We had a good dinner and an enjoyable time. The writer observed that the corn crop in Mountain and Hamburg is extra good.

David S. Pressley died Sept 13th and was buried at Cullowhee Sept. 14th. Mr. Pressley was an old Confederate soldier, and lived to be 79 years old. He had been a consistent member of the Baptist church for more than 30 years. His funeral was conducted by Rev. Crawford of Canada. Mr. Pressley was always at his post in the church, and always did his part in the support of the Gospel. He was an industrious man and a good citizen. He leaves a wife and 11 children to mourn their loss. He will be missed in the home; he will be missed in the church, where he was so faithful. He will be missed in many ways in our community, but our loss is his gain, and he has only paid the debt that we must all pay. The writer extends to the bereaved relatives of Mr. Pressley his sincere sympathy in this hour of their sorrow. Let us all hope that some good day we can all meet around God's throne where all will be peace and joy and happiness forever.

RAIL ROAD INJUNCTION DISOLVED.

Andrews Sun.

In the case brought by W. N. Cooper against the County Commissioners of Cherokee county in which a restraining order was signed by Judge Carter preventing the Commissioners from issuing the Valleytown bonds. Judge Ferguson after giving the whole matter careful consideration has rendered judgment upholding the regularity and validity of the Valleytown election in every respect and has also dissolved the injunction.

It is said that Mr. Cooper intends to appeal, but whether he does so or not, the commissioners will have the appeal docketed in Supreme court during the present term and there is little doubt but that the higher court will uphold the judgment rendered by Judge Ferguson, who has had a great deal of experience in such cases, having tried over fifty bond election contests.

The way is now clear for the Railroad people to go ahead and close up with the commissioners of both counties and start the work of construction.
