

HEALTH AND HYGIENE.

Raleigh, Sept. 26, 1913.—Dr. Gordon, President of the Board of Directors of the State Sanatorium for the Treatment of Tuberculosis, at Montrose, today introduced a bill in the House to place the management of that institution in the hands of the State Board of Health.

This action has been taken because it has found that the Sanatorium could best be operated as a part of a comprehensive State policy in the prevention of tuberculosis. It is planned to devote a bureau in the State Board of Health offices to the subject of the prevention of tuberculosis. This bureau will take the form of a training school, or rather a correspondence school, in which the State Board of Health will endeavor to enroll every tubercular person in the State. The Sanatorium will be analogous to a central university, around which will be built up a great correspondence school.

Another provision of the bill introduced by Dr. Gordon is that every case of tuberculosis in the State shall be reported to this bureau at once, in order that the Health Department can immediately begin a course of instruction. It is estimated that there are approximately 15,000 tubercular persons in the State. While it can not be expected to have all the tubercular people in the State entered in this school, yet the good that will result in teaching only a part of these people how to cure their disease and how to prevent its spread to other people will do much toward reducing our high tuberculosis death rate, and with a little more education along this line the correspondence school and the Sanatorium will be able to reduce our high death rate from this disease.

SAVES LEG OF BOY.

"It seemed that my 14-year old boy would have to lose his leg, on account of an ugly ulcer, caused by a bad bruise," wrote D. F. Howard, Aquone, N. C. "All remedies and doctors medicine failed till we tried Bucklen's Arnica Salve, and cured him with one box." Cures burns, boils, skin eruptions, piles. 25c at Sylva Pharmacy.

PROGRESS.

"Not the piling up of matter constitutes progress, but the development of enduring character, the approximation of the human with the divine, and an enlarged sense of the brotherhood of man."

Real progress is manifested in every effort to be Christlike; in every effort to have God's will done on earth. These efforts will aid in establishing the kingdom of heaven on earth, a kingdom of much more importance than a kingdom of steel and concrete. Let mortals realize that "the earth is the Lord's and the fullness thereof," and let them through the spirit of Christ recognize the equal rights of all the sons of God to live and enjoy life. Let all strive to do unto others as they would be done by. This is real progress, none other has right to the name.

By this it is not meant to decry or belittle the wonderful invention, advancement, and improvement manifest everywhere in material affairs, but to point out the danger of confusing these with true spiritual progress, without which the former will come to naught, as did the glory of Rome."

With profound respect and apologies to the upknown author.

Respectfully submitted,

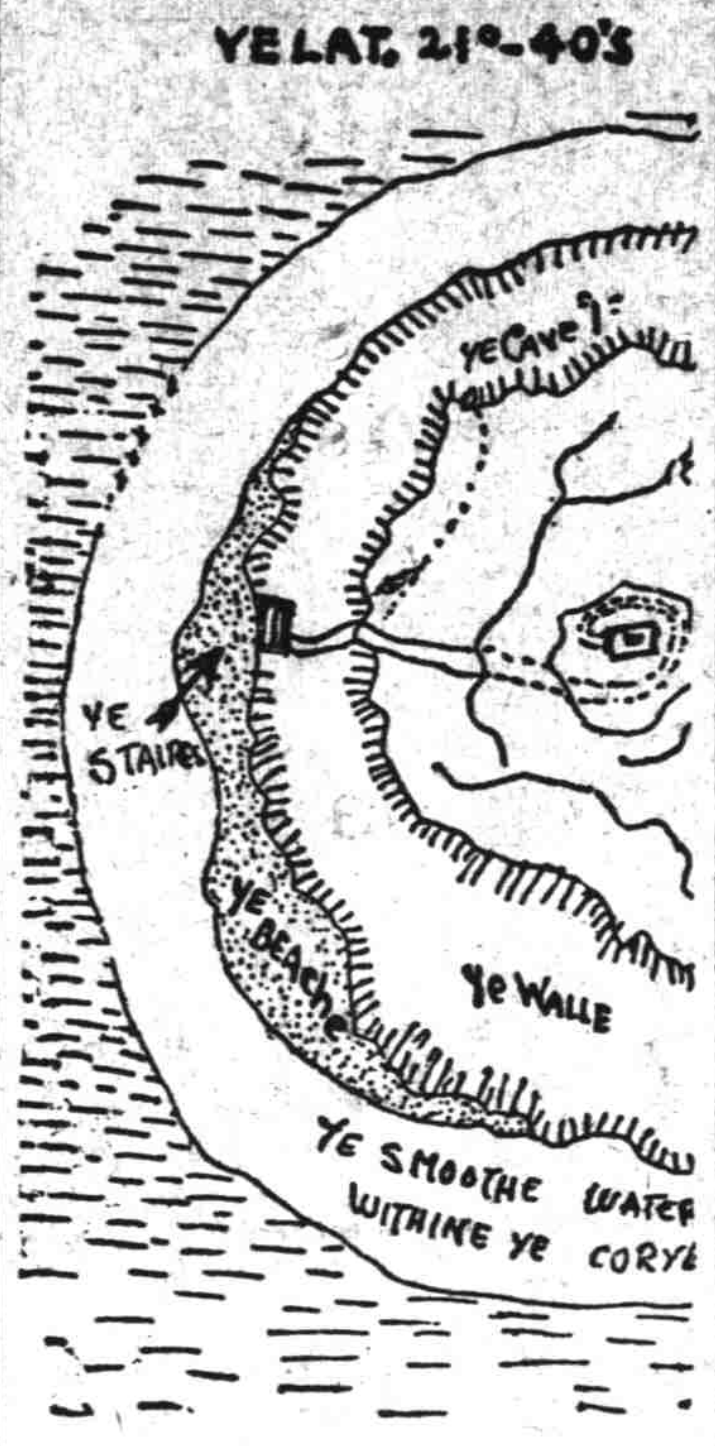

E. A. WOLFF.

J. W. Copeland, of Dayton, Ohio, purchased a bottle of Chamberlain's Cough Remedy for his boy who had a cold, and before the bottle was all used the boy's cold was gone. 'Is that not better than to pay a five dollar doctor's bill.' For sale by all dealers.

SAVED BY HIS WIFE.

She's a wise woman who knows just what to do when her husband's life is in danger, but Mrs. R. J. Flint, Braintree, Vt., is of that kind. "She insisted on my using Dr. King's New Discovery," writes Mr. F. "for a dreadful cough, when I was so weak my friends all thought I had only a short time to live, and it completely cured me." A quick cure for coughs and colds, it's the most safe and reliable medicine for many throat and lung troubles—grip, bronchitis, croup, whooping cough, quinsy, tonsillitis, hemorrhages. A trial will convince you 50 cts. and \$1.00. Guaranteed by Sylva Pharmacy.

Other Half of the Map of "The Island of the Stairs"

The Old Freebooter Wrote:

"Toe find ye mouthe of ye tresor cave, take a bearing, alonge ye south of ye three Goddes on ye Altar of Skulles on ye middel hille of ye ilande. Where ye line strykes ye knicke in ye walle with ye bigge pamme tree bee three hoals. Climbe ye stones, enter ye ocenter one. Yt is there. Lette him that wille seek and finde."

OUR NEW SERIAL

USE OF CALOMEL PRACTICALLY STOPPED FOR BILIOUS ATTACKS, CONSTIPATION, AND ALL LIVER TROUBLES. DANGEROUS CALOMEL GIVES WAY DODSON'S LIVER TONE.

Every druggist in the state has noticed a great falling off in the sale of calomel. They all give the same reason. Dodson's Liver Tone is taking its place.

"Calomel is often dangerous and people know it, while Dodson's Liver Tone is perfectly safe and gives better results," says the Sylva Pharmacy.

Dodson's Liver Tone is personally guaranteed by the Sylva Pharmacy who sell it. A large bottle costs 50 cents, and if it fails to give easy relief in every case of sluggishness you have only to ask for your money back. It will be promptly returned.

Dodson's Liver Tone is a pleasant tasting, purely vegetable remedy—harmless to both children and adults. A bottle in the house may save you a day's work or keep your children from missing school. Keep Liver working and your liver will not keep you from working.
