Editor of Journal:—Before the summer vacation closes I will write a letter to the Journal and mention some events concerning the tarheels of the Willamette Valley and Saginaw, as it has been quite a while since we have written a letter to the Journal, yet we still read the news from back home.

Mr. and Mrs. Dell Angel and two children of Copperhill, Tenn., spent a month this summer visiting Mr. Angel's parents, Mr. and Mrs. J. E. Angel, and also visited relatives in Portland, Ore., and Olympia, Wash., after which they returned home.

Mr. and Mrs. Ed Angel of Vancouver, Wash., accompanied by their two children spent several days during June visiting relatives and friends at Saginaw.

Mr. and Mrs. Sam Plott are spending some time with Mrs. Plott's daughter, Mrs. Alden Monteith.

The Needlecraft club, G. T. X. of Saginaw and Delight Valley which meets on Wednesday afternoon each week gave miscellaneous and kitchen showers for Miss Cora Witcher, a bride of July, previous to her marriage to Lewis J. Allen. The club has not been in session during August, but was entertained at the home of Mrs. Lee Queen July 23; a pleasant afternoon was spent with needle work and music, after which refreshments of ice cream and cake were served. The club gave a picnic dinner July 30, and had a pleasant time.

Mr. Judson Allen and daughter, Kathleen, Mrs. Florence Hampton and daughters of Bryson City went to the coast the first of August for an outing; they also visited at the C. Buchanan home, near Florence, while away.

Mr. and Mrs. Clarence Curtis and Miss Lizzie Queen, accompanied by a party of Oklahoma people have returned from an outing to the mountains, where they were camping. They report having plenty of venison and fish.

Mrs. Judson Allen and son, Hubert, and Mrs. Florence Hampton visited last week with their cousin, Henry Crawford at Turner, Ore., while there they spent a day in Salem, viewing the State buildings.

Miss Nora Queen has returned home from an extended visit to coast points.

Mrs. Florence Hampton and two daughters have returned to their home in Bryson City, N. C., after an extended visit with Mrs. Hampton's sister and brother, Mrs. Judson Allen and Mr. A. C. Curtis. They

were pleased with Oregon.

Mrs. Smith Ensley and daughter May, of Wendling, Ore. are visiting Mrs. Ensley's mother, Mrs. J. E. Angel.

Mrs. Ell Gribble of Coburg has been visiting in Saginaw.

Mrs. C. C. Moody was very pleasantly surprised Saturday, August 23, when a number of relatives and friends assembled at the home of Mrs. Alden Monteith and proceeded other home with baskets of lunch which they spread on the lawn, they then reminded her that they had prepared the dinner in honor of her 58th birthday, which occurred that day.

The home of the Misses Queen was the scene of a very enjoyable lawn party Friday evening, August 23 when they entertained the young people of the Christian Endeavor Society of the Christian church of Cottage Grove and their friends. The guests numbered 33. The lawn was strung with Japanese lanterns. Games were played, after which refreshments of ice cream and cake were served.

Miss Nora Queen has returned to Blodgett, Oregon, where she will begin school September 1st. She taught the same school last year.

Best wishes.

A WESTERN TARHEEL.

Mr. R. R. Fisher, of Addie had on exhibition at the Jackson County Fair some extra fine Duroc hogs. Mr. Fisher started his herd of Durocs by purchases from Stanberry & Son's Tennessee herd, the head of which is "Tennessee Colonel," a half-brother of "Defender," the international champion, who sold some time ago for \$7000.

**MR. WILSON**

The people of this section will be interested in the selection of Mr. J. C. H. Wilson of Balsam as superintendent of the department of the Western North Carolina Fair to be held in Asheville from October 7 to 10.

Mr. Wilson was associated with the fair in a similar capacity last year. He is spending the week at the Jackson County Fair in the hope of interesting the exhibitors at this fair to make entries for the W. N. C. Fair.

When you have a bad cold you want the best medicine obtainable so as to cure it with as little delay as possible. Here is a druggist's opinion: "I have sold Chamberlain's Cough Remedy for fifteen years," says Enos Lollar of Saratoga, Ind., "and consider it the best on the market." For sale by all dealers.

**Trouble, Trouble.**

Yes here we come again to trouble you with our troubles

**We have another housefull of goods**

we bought on the market, many of them much less than their actual value, we must dispose of and to do this we know just what to do, sell for less money than the other man

Monday was a bad day but our milliner sold eight ladies hats. This is evidence we are giving the right style or we would not get the business, for the people know.

Our Coat Suit business is fine, we could not expect it better for we have not a bad style in the house.

We bought a lot of clothing at a big reduction and to get this going we are going to give a safety razor with each suit we sell and at the same time sell you the suit at less than regular price.

We carry the A. A. Cutter Shoes, Rain Proof Kakahi Suits, Electric Band Hats for Men and they are guaranteed to stand up with the best.

We have so many things we will not try to name them but want you to come and see our stock before buying.

Remember we sell you the best Wheat Fertilizer for \$1.65 for a 200 lb. bag.

If you need farm machinery of any kind or the best wagon you ever hitched to, come to see us.
