## Shoes! Oxfords! Shoes! Oxfords!

No merchant can buy a complete line of shoes from one house. Some are strong on childrens, some on ladies, some on men's. I sold shoes on the road seven years and believe I know a shoe. I have secured for Jackson County the agency for the Buster Brown Shoes for children. I believe this is the strongest line of children's shoes made. A trial pair will convince you. I have them in shoes and Oxfords from the little tot to the big boy or girl. I have the agency in Sylva for the Southern Girl, made by a Southern manufacturer, all solid. I have them in shoes and oxfords and will make you a price this spring of \$2.00. Best shoe for the money made.
