ROADS IN CASHIERS

Cashiers N. C. March, 31, 1914
The Good Road Association of Cashiers township in spite of the bad weather, is moving on nicely the township with Mr. H. A. Pell as supervisor. With 18 miles of road to make has completed about 12 miles and will soon be done our road from the South Carolina line to the Transylvania line, a distance of 18 miles when done, will be a 16 feet road with good grade, so this summer the people can ride through from Walhalla to Lake Toxaway on their automobiles.

And along with this we are going to send in a big majority of votes for the Farm Life School at our good old town of Webster, for we have the buildings, and the farm, and best of all we have got them all paid for.

Well we have just received the good news that Ka Bumgarner has got all the parties rounded up and in jail without bail until September court. Ka Bumgarner has found evidence and had a preliminary trial against George I. Thomas and May Lamb to imprison them without Bail until September Court. May God help in the right, as he does all things right.

W. L. Dillard with some of his saw mill men was in town to day to register to vote for the Farm life School.

So we are as usual having a big time over our Postoffice at Cashiers. I believe we have got the best township in Jackson County for we stand pretty well together in what is right. So Mr. Editor if this dont get in the wast basket I will send you a few more lines some day.
W. T. Hawkins.
