That Idea of wearing Cotton cloth-
ing instead of Silks is a good one.
It is patriotic. It will help the South
and then it is really more sensible

There was one feature about the
Fair that is regrettable. There was
not one sheep to be seen This coun-
ty admirably led to the raising
of sheep and the production of
wool. Every farmer should have a
herd of sheep. They could be main-
tained upon the waste around the
farm and barnyard. It would be
money in the pockets of the farmers.
And yet we believe that the
sheep raising industry is losing
ground every year in this County.
But then perhaps it is more profit-
able to raise hound dogs than sheep.

Jackson Countys speakers are
coming into the lime light. Prof.
A. C. Reynolds delivered the address
at the Western North Carolina Fair
at Asheville, and C. C. Buchanan
opened the Haywood County Fair
at Waynesville.

Cherokee County is going after
the Asheville-Atlanta highway, and
is going to get it too. A repre-
sentative body of citizens should at-
tend the Bryson City meeting from
here though, to show how much
we are interested in this great
project—Cherokee Scout.

The Waynesville Courier says of
the address delivered by our elo-
quent townsman;

The feature of the opening day
was the annual address delivered
by Mr. C. C. Buchanan of Sylva
one of the best speakers in the
western portion of the state.

There is talk of Commission form
of Government for Mexico. What
Mexico needs is Government in
most any form.

It can easily be read in the pro-
ceedings of any court that delay is
the great defence of the lawmakers.
It is by procrastination in trial of
criminal causes that the offender
defeats the ends of justice. Through
this method time heals the heinous-
ness of crime in the minds of the
people and the criminal does not
reap the reward of his acts.

Deafness Cannot Be Cured
by local applications, as they cannot
reach the diseased portion of the ear.
There is only one way to cure deafness,
and that is by a constitutional remedy.
Deafness is caused by a diseased condi-
tion of the mucous lining of the Eusta-
chian Tube. When this tube is inflamed
you have a running ear or imperfect
hearing, and when it is completely closed,
deafness is the result, and unless the in-
flammation can be taken out and this
tube restored to its normal condition,
hearing will be destroyed forever; nine
cases out of ten are caused by Catarrh,
which is nothing but an inflamed condi-
tion of the mucous surfaces.
We will give you a refund for any case of
Deafness caused by Catarrh that cannot be cured by
Hall's Catarrh Cure. Sold by Druggists.

APPLY SLOAN'S FREELY FOR LUMBAGO.

Your attacks of Lumbago are not
nearly so hopeless as they seem.
You can relieve them almost in-
stantly by a simple application of
Sloan's Liniment on the back and
loins. Lumbago is a form of Rheu-
matism, and yields perfectly to
Sloan's, which penetrates quickly
all in through the sore, tender mus-
cles, limbers up the back and makes
it feel fine. Get a bottle of Sloan's
Liniment for 25 cents of any drug-
gist and have it in the house—
against colds, sore and swollen joints
rheumatism, neuralgia, sciatica and
like ailments. Your money back
if not satisfied, but it does give al-
most instant relief.

Don't Suffer!

"I had been troubled, a little, for nearly 7 years," writes
Mrs. L. Fincher, in a letter from Peavy, Ala., "but I was
not taken down, until March, when I went to bed and had
to have a doctor. He did all he could for me, but I got no
better. I hurt all over, and I could not rest. At last, I tried
Cardui, and soon I began to improve. Now I am in very
good health, and able to do all my housework."

TAKE The CARDUI Woman's Tonic

You may wonder why Cardui is so successful, after
other remedies have failed. The answer is that Cardui is
successful, because it is composed of scientific ingredients,
that act curatively on the womanly system. It is a medicine
for women, and for women only. It builds, strengthens, and
restores weak and ailing women, to health and happiness.

If you suffer like Mrs. Fincher did, take Cardui. It
will surely do for you, what it did for her. At all druggists.
