## WAR CONDITIONS ON WESTERN FRONT

London, April 17.—After gaining a footing today in the villages of Meteren and Wyttschaete, the British were forced to make a second retirement, according to Field Marshal Haig's report from France tonight.

French troops it was added, have now reinforced the British lines. The text of the statement reads: "This morning intense bombardments were opened by the enemy on practically the whole of the Lys battle front, and from the forest of Nippe to Wyttschaete were followed by infantry attacks. All these attacks have been repulsed and considerable losses inflicted on the enemy.

"In counter-attacks, reported in the morning communique, our troops succeeded in entering the villages of Meteren and Wyttschaete, but in the face of continued hostile attacks, were unable to maintain our positions there.

"French troops are co-operating with the British on this front. "On the remainder of the British front there is nothing to report."

The greater part of Wyttschaete and probably a part of it is in the hands of the British, Major-General F. B. Maurice, chief director of military operations at the war office announced today.

Counter attack successfully at Meteren and south of that place, the British have driven the enemy lines in the direction of Nevele, Belgium.

"The news last night and today is better," said General Maurice. "While I am not able to say definitely that Wyttschaete is in our hands, we hold the greater part and probably the whole of it.

"I returned last night from France," said General Maurice at the outset of his talk with the Associated Press. "The situation was very anxious. The Germans had taken Bailleul, Meteren and Wyttschaete and had brought four fresh divisions into action against us. If the enemy could have maintained that pressure there looked to be vital danger to the ridge of heights which includes Mount Kemmel, which is the backbone of our defense on the northern portion of the battle front. But the news last night and today is better."

## FIELD DAY AT CULLOWHEE

An enjoyable afternoon was spent by the students of the Cullowhee Normal and Industrial School and the people of the community Friday, April 12 on the Athletic Field. A number of interesting contests were held in Track Athletics. Those winning first places were as follows:

100 yard dash—John Flintom  
Hammer throw—Bronce Ray  
220 yard dash—John Flintom  
Broad jump—Earle Crawford  
Shot put—Wayne Wells  
High jump—Earle Crawford  
1 mile race—Ernest Crawford  
Pole vault—Earle Crawford

Following the Track athletics was a base ball game between Cullowhee and the Canton High School. The game was well played but the Cullowhee boys proved too strong for their opponents. The score was 8 to 2 in favor of Cullowhee.

In the evening there were contests in Declamation and Recitation, eight schools from this and adjoining counties being represented. The winners were Miss Helen Owen of the Canton High School in the Recitation contest, and Mr. Hayes Ailey of the Waynesville High School in Declamation contest. Both were awarded medals. The evening closed with a reception at the Girls' Dormitory for the visitors, school and community.

## PARRIS-SNYDER

The following clipping taken from a Winston-Salem paper of recent date, will be of interest to our people.

At the home of Mr. and Mrs. J. N. Jarrett, on Fifteenth street, last Thursday afternoon at five o'clock, an interesting marriage was quietly solemnized, when Miss Betty Snyder became the bride of Mr. Jesse E. Parris of Raleigh, Rev. H. A. Brown officiating.

## MR. ALLEY CLAPS HIS HANDS IN DAYTONA

(From the Daytona Daily News, Daytona, Fla.)

Corp. L. D. Alley of the United States Service, and Miss Soli a Faye Hill, a teacher in the Daytona public schools, were united in marriage Wednesday afternoon, April 3rd, at 4 o'clock in the Congregational church, the ceremony being performed with the ring service by Rev. W. L. Lewis, pastor of the church, in the presence of friends of the contracting couple.

Music for the occasion was furnished by Miss Alberta Arnold, who before the ceremony rendered a piano solo, "On the Holy Mount," by Dvork. The bridal couple entered to the strains of the wedding march from Lohengrin, and during the ceremony Miss Arnold played "Berceuse" from "Jocelyn" by Mendelssohn. The wedding March was the bridal party left the church.

The bride and groom were attended except for the presence of little Helen and Junior Hunt, who served as flower girl and ring bearer, forming a very pretty feature of the occasion.

Following the ceremony, the wedding party repaired to the home of Mr. and Mrs. Eric D. Miles, on West Magnolia Avenue, with whom Miss Hill has been living, and wedding cake and other refreshments were enjoyed.

The bride, who is from De. Dand, but who has been teaching in this city for several years, expects to remain here until the close of the school term, after which she will join her husband if he is still in this country.

The groom, whose home is in Webster, N. C., is a member of the Radio Co., 105, Field Signal Battalion, in training at Camp Sevier, S. C. He came to Daytona on Monday and must leave Saturday on his return to Camp.

## TO LIBERTY LOAN WORKERS

We are now on the second week of "Liberty Drive." Our subscription list is growing day by day. However, we are far from the goal.

Both country and villages are at heart behind our boys, and it is just a matter of rousing each person to take a personal interest.

We are just as anxious to get a great number of subscriptions as we are a great amount of dollars, so don't neglect to go after the fifty dollar subscriptions and urge the more able to take the larger denominations.

We have the highest percentage of voluntary enlistments in the army of any county in the state and we want the highest percentage of subscribers.

We should let the young man know we are doing what we can, although our sacrifices are trifling compared with his staking his life for his country and humanity.

Some country townships are going to show up much better than others, owing to the interest taken by the citizenship. If your township falls down it will be lack of interest being aroused, as the people will respond if workers will present the matter earnestly.

Urge your people to invest in this best of securities and not withhold their money for the sake of making a few cents more by speculation and private investment.

They will feel proud of their bonds and they will be glad to see them.

## SERVICE FLAG AT BAPTIST CHURCH

At eleven o'clock service at the Baptist church next Sunday morning, the Woman's Missionary Society will present a service flag to the church.

The families and friends of the young men who are members of the church and in the U. S. service are especially invited to be present.

## CHICKEN ORDER EXPIRES TODAY.

Raleigh, April.—The far-famed "Hen and pullet order of the Food Administration which became effective Feb. 1st and which was designed to prevent the slaughter of laying stock during the heavy laying and breeding season has accomplished its purpose so well that the Food administration has amended the order to make it expire Friday night the 19th instead of the 30th instant. The order has resulted in an increase of several million dozen to the egg supply of the country.

—W. S. S.—

Choose ye this day whom you dollars will serve, the Kaiser and "this intolerable thing that has grown up in Germany" or America and humanity.

## TACKY PARTY AT DILLSBORO

The Ladies Sewing Circle had an unusual program at their last meeting, which was held at the home of Mrs. L. V. Brock, as each member tried their best to be dressed as tacky as possible.

When the guests began to arrive quite a bit of excitement was caused by the appearance of the various members. Among those represented were very, very old ladies, middle aged women, old maids, bride, groom, mother-in-law, bashful little girls, little colored girl, cow boy and various other people of different

degrees of tackiness. The guests were enjoying themselves and the looks of those present from which made all have a good time and produced a great deal of mirth.

A prize was offered to the tackiest person present. By the votes of the members Mrs. Parson Kincaid carried it off as she acted as well as looked the part she undertook to play.

Refreshments were cake and ice cream, and Mrs. Brock allowed us at least three dishes of ice cream if we wanted it. Those present were: Mrs. Parson Kincaid, Mrs. and Mrs. Mark Jarrett, Mr. and Mrs. Mont Cannon, Mrs. R. F. Harkins, Mrs. Jim Fisher, Mrs. Alice Dills, Mrs. Cole Cannon, Misses Margaret Buchanan, Annie Dills, Nan Frizzell, Eddis Morrison, Elinor Cleveland, Sara Bell, Beulah Dills Ellen and Dorcas Fisher, Annie Talent, Ethel Stewart, Nina Ensley, Jamie Harkins and Messrs. Robert Bell and Wib Fisher.

All had a splendid time and are anxious to go to the next meeting which is to be held at the home of Misses Ellen and Dorcas Fisher, April 25.
