SYLVA, N. C., JULY 5 1918,

\$1.50 THE YEAR IN ADVANCE

I am very glad indeed to report that Qualla has gone over the top for will within the next few days as we are so near out now) in pledging her quota \$27240.00 of the \$285000,00 worth of War Savings have done exceedingly well, when we take into consideration the fact that this drive came in the very husiest time that it could have come for us farmers and also the fact that we haven't a single limit member in the township. Not a single man bought the limit (\$1000) and not one man pledged for over \$600.00. So it is plain to see that his proposition or we could not have raised this amount in pledges. Everybody who was able pledged with the exception of a very few. If there was any feeling toward ers.

Qualla that she was not willing to ome up and do her part, I feel sure such an idea to be entertained since the Red Cross drive and since we have responded so well in this

I wish to thank the canvassers whose names will appear elsewhere 12:30, in this paper, who so faithfully and extend to every one that pledged him or herself my heartiest thanks or responding to this noble call. and Christian duty. I am glad and hankful that I can do a littlethough it be a very small part—in militarism and heartless brutality, by standing by our government and ehind our boys in the service who are sacrificing their lives for us. . S. T. COOPER.

# LIEUT, GEO. C. COX

Belew is an interesting bit of news from the Asheville Citizen for the people of this county. Lieut. Cox is the first boy from Western N. to be cited for bravery, and it is no more than the people expected of him, as he is a very fearless young man, and is one of the best electrictions in Western North Carolina, and if he has the good fortune not to be disable this is not all that we will hear from him.

Washington, June 28. - First Lieutenent George C. Cox. of Cullowhee, Jackson County, has been cited for his bravery in battle with the American expeditionary forces abroad. He displayed courage in maintaining telegraphic communication and great efficiency in enabling the command to follow, all the time, the progress of the fighting.

The name of the North Carolina boy appears near the top of the list of citations made puble today by the war department.

Washington, June 28.—The war department today received from General Pershing the names of 35 leave for the camps. officers and men who have ben cited for bravery in action by the general commanding the French army with which the unit is serving. The names previously had been carried in Associated Press dispatches from France. Night additions to the list from Southern states are Lieut. Geo. C. Cox, of Cullowhee N- C., and Corporals Talmadge W. Gerrald, of Galivant's Ferry, S. C., and Cartor C. Selfe, of Bristow, Va.

to block the German advance. It is hoped that the churches and Junius Wood places the name of

# -----W. S. S.---WOLF MOUNTAIN.

Canada is again on the map. The fishing season being open, visitors begin to flock to our mountains The club house on the Tuckasiegee is rarely empty.

If our people could only wake to the fact that good roads are not merely a convenience, but a necessity, Canada's history might change. We clamor for schools and churches; we also long to be quit of the bad element of our citizenship, and all the while we are not using the means at our command for the improvement of our public highways, the erection of better public buildextended to our teachers and ministers. We find it is a lot more fun to roast our politicians and public officials for what they are not doing plish what they do have the temerity to undertake. This condition can be improved, and we believe the first step to be taken is the opening There are many-first of all there of our township by building good ing to thrive when a country is easy of access to the revenue officer, and she is certainly guilty to some ex-In Europe-The reduced productions, God also help other sections. by helping ourselves.
