70,000 PRISONERS, 1,000 GUNS ARE TAKEN BY ALLIES

Paris, Aug. 13.—Since the beginning of the allied counter-offensive on July 18, the allies have taken more than 70,000 prisoners and more than 1,000 guns, the Echo de Paris states today. In addition, it estimates more than 10,000 machine guns have been captured from the enemy.

FORMER JACKSON BOY KILLED IN FRANCE

Theodore Rochester, a nephew of Mrs. M. A. London, of West Asheville, was recently killed in action in France. Mr. Rochester was formerly a Jackson county boy, but for the past few years he has resided in Maryland, where he enlisted in the 77th Field artillery. He was stationed at Camp Green, Charlotte, until about three months ago.—Asheville Citizen.

SIDEWALKS TO THE CHURCHES

At a recent meeting of the Board of Aldermen it was decided to ascertain the cost of cement and to have a survey made of the streets leading to both the Methodist and Baptist churches, and find out what the cost would be to construct a concrete sidewalk on these streets.

This is a piece of sidewalk that the town has long been in need of and it is hoped by all that when the estimate is made the cost will be low enough for the work to be done.

WHAT LLOYD GEORGE HAS TO SAY.

In a recent speech in the House of Commons Lloyd George paid high tribute to the American troops. He said:

"Everybody knows how gallantly the Americans fought. They fought with a skill no one had a right to expect. Their officers showed a skilled knowledge in the management of the men under trying conditions which one could hardly have expected from men who had not had a year's experience in war."

IMPORTANT TO THE FARMERS

The following letter is self-explanatory, and it is very important that the farmers of this county cooperate with Mr. Hall in this work, so as to get the advantage of the best market prices.

Waynesville, N. C., August 13, 1918.
Editor Jackson County Journal,
Sylva, N. C.

Dear Sir:—Will you please remind the farmers of Jackson county through the columns of your paper this week that all who wish to receive Daily Government price reports, showing prices farmers are receiving at loading points for potatoes, cabbage, apples, etc., and prices this produce brings in Southern markets to which this section ships, should send me their names and addresses without delay. Each farmer should state the quantity, variety and grade of potatoes, cabbage and apples he will have for sale. With this information the State Division of Markets can help farmers make sales. Farmers with any of the above products for sale should list their products with the Mountain Growers Exchange of Waynesville, N. C. This Exchange operates under State direction for the benefit of farmers. It is now listing potatoes for bids to army camps. All growers who might be interested in selling their potatoes through the Exchange either to army camps or otherwise should write the Exchange now.

Yours very truly,

BOLLING HALL,
State Marketing Agent for W. N. C. Manager, Mountain Growers Exchange.

The fourth Liberty Bond Issue will be announced very soon, and we know Jackson will do as she did in the third issue—go "over the top" and some to spare.

HELP FOR THE HELPLESS A Proclamation BY THE GOVERNOR

Last year the whole world was thrilled when the news flashed over the wires that Jerusalem had been delivered from the hands of the Turk. The feeling was universal that the Holy City should be restored to the people who had builded it and with whose history it is forever associated. This is a fine sentiment, but finer and vastly more important than the restoration of the Holy City is the salvation of millions of Jews from hunger and disease and death. In Turkey, in Palestine, in Lithuania, in Russia, in Poland and Galacia starvation stares the children of Abraham in the face. Daily Jewish husbands see their wives grow thin and pale and fade away into the Great Silence. Daily Jewish babies tug frantically at breasts that are withered and dry; and above the din of battle is heard once more the voice of Rachel weeping for her children and refusing to be comforted because they are not.

I call upon the good people of North Carolina to hearken to this cry, to rally to the help of the helpless and once again to show themselves worthy of the high service they are privileged to render. The hounded, hungering Jew can well afford to die. We cannot afford by indifference and inaction to have his blood on our hands.

Therefore, I, Thomas Walter Bickett, Governor of North Carolina, do hereby set apart Monday, the 19th day of August 1918, as Jewish Relief Day. I ask all newspapers to give wide publicity to this day, and especially ask that on Sunday, the 18th day of August, notice be given in all the churches in the State that the following Monday will be observed as Jewish Relief Day, and the people will be given an opportunity to help this stricken race.

On Monday, the 19th day of August, I beg all our people to give to this most worthy cause generously and gladly. Let Jew and Gentile touch elbows, and work together for the relief of these millions in distress, and may He, who made and loves us all, bestow upon every giver and every gift His Heavenly benediction.

Done at our city of Raleigh, this the 3rd day of August, in the year of our Lord one thousand nine hundred and eighteen, and in the one hundred and forty-third year of our American Independence.

THOS. WALTER BICKETT,
Governor.

By the Governor;
Sanford Martin,
Private Secretary.

There is more Catarrh in this section of the country than all other diseases put together, and for years it was supposed to be incurable. Doctors prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Catarrh is a local disease, greatly influenced by constitutional conditions and therefore requires constitutional treatment. Hall's Catarrh Medicine, manufactured by F. J. Cheney & Co., Toledo, Ohio, is a constitutional remedy, is taken internally and acts through the Blood on the Mucous Surfaces of the System. One Hundred Dollars reward is offered for any case that Hall's Catarrh Medicine fails to cure. Send for circulars and testimonials.

FARMERS SHOULD SAVE GOOD WHEAT FOR SEED.

I wish to urge all farmers of the county to save their best wheat for seed, as the demand for seed wheat will be greater this fall than ever. The farmers will get a much better price for seed wheat and therefore they should be careful to select the very best and hold it for seeding purposes.

E. E. BROWN,
Co. Food Administrator.

ALL EGGS MUST BE CANDLED WHEN BOUGHT

Raleigh—The ancient egg, which has been the woe of consumers and dealers for many years is under the ban. Recent laws require that all grocers and other dealers in eggs shall candle the eggs when they are purchased from farmers, commercial poultrymen or other producers or dealers, and the Food Administration, co-operating with the Agricultural Extension Service, proposes to see that this law is observed in the State of North Carolina from this date.

This law works an injustice on nobody and will save honest dealers and consumers thousands of dollars they have paid heretofore for stale eggs. Eggs deteriorate very rapidly in hot weather where they do not have proper care, and in addition to protecting the consumer, the law is designed to bring about the exercise of greater care in the production and handling of eggs by producers and small dealers.

TO PATRONS OF FAIR.

The printers expect to get the Premium List ready for distribution within the next two weeks. For your guidance, you may figure the premiums on Live Stock about same as last year, with additional premiums on horses and Sweepstakes on Cattle.

The premiums on Farm Products are larger than have been paid heretofore. All premiums will be paid in Thrift Stamps and War Savings Stamps.

Personal Letter Reveals the Facts

Mrs. Whitfield's Troubles Are Over
Since She Took Tanlac and She
Has Gained Thirty-five
Pounds.

One of the most interesting and one of the most remarkable statements ever made in the South in connection with a proprietary medicine, was that given by Mrs. J. C. Whitfield, 1216 Jo Johnson Ave., Nashville, Tenn., in an unsolicited personal letter addressed to the Tanlac Offices at Atlanta, Georgia. Mrs. Whitfield states that she not only obtained entire relief from trouble that had kept her miserable for years, but had gained thirty-five pounds besides. Her letter follows:

Nashville, Tenn., May 7th, 1918.
Gentlemen:—I was in bad health for years and had taken several different medicines but they did me no good. I saw Tanlac advertised in the Nashville Banner and I tried it. To my great wonder it was just what I needed. My stomach was in such a bad condition that everything I ate would come back up, and even water made me sick.

I had fallen off about twenty-five pounds.

Since I have been taking Tanlac I have gained thirty-five pounds and I've only finished three bottles. Everything I eat agrees with me and builds me up. I am in better health than for years and I owe it all to Tanlac. I wouldn't be without it in my house.

With many thanks to you and your wonderful medicine, I am,

Yours very truly,
MRS. J. C. WHITFIELD

BOYS ATTAINING THE AGE OF 21 TO REGISTER

Washington, D. C.
August 13th, 1918.

Adjutant General,
Raleigh, N. C.

Number B 2604. The President will soon issue a proclamation requiring all persons specified therein who have, since the 5th of June, 1918, attained their 21st birthday to register on Saturday the 24th day of August between 7 a. m. and 9 p. m. This registration must not be confused with the larger registration to be made in September in pursuance of the legislature now pending before Congress. This registration concerns only those who have since June 5th, 1918, and on or before August 24, 1918 attained their 21st birthday. In view of the demand for class one men this registration is deemed necessary. It is believed that this registration can be made without interfering with the arrangements now under way for the larger registration. You will please give widest publicity through newspapers and other channels of publicity to this registration and instruct all local boards to immediately start publicity campaigns in order that those required to register will have ample notice.

TO THE FARMERS.

The following is in answer to a letter I wrote some time ago in regard to farmers selling their wheat for other purposes than seed and I am having it published for the benefit of the farmers.

Raleigh, N. C., Aug. 14, 1917.—Mr. E. E. Brown, County Food Administrator, Sylva, N. C.—Dear Sir:—Answering your letter of Aug. 12, we will say that a farmer is allowed to sell his wheat to a miller or a merchant. He can also sell to other farmers for seed purposes only. He cannot sell wheat to farmers to be used for food.

Yours very truly,

Henry A. Page,
Food Administrator.

Rev. R. E. Clark, of St. Paul's, N. C., will preach at the Baptist church Sunday morning and evening. Every body invited to attend these services.

Miss Elsie Potts, of Asheville, is visiting her cousin, Miss Lavinia Picklesimer.

David H. Brown, who has been in Virginia for the past three months, returned to his home in Webster this week.

Prof. J. N. Wilson, County Superintendent of Public Instruction, is in a hospital in Asheville where he underwent an operation Thursday. He is reported to be resting well and it is hoped he will be able to leave the hospital in about three weeks.

Mr. and Mrs. John R. Jones, Mrs. R. C. Allison and Garland Jones motored to Asheville Tuesday.

Misses Annie Joe Hooper and Harriet Wilson spent the week end with Annie Joe's grandparents, Mr. and Mrs. Lambert Hooper, at Tuckaseegee.

Remember it is not very long until Fair time. What are you going to exhibit? Its success depends on what you do to make it a success.

—W. S. S.—

We wish to call the attention of the farmers to a letter from Mr. Hall, of Waynesville, in this issue of the JOURNAL. It should be of much interest to them.

Mr. Everybody.

We have unloaded a car of Lamons Wagons, which we would like to have the pleasure of showing you, not because you are not familiar with this wagon, nor do we wish to make any apologies for same, but we have made one or two Little Improvements with which we are sure you will be impressed.

It would be as useless for us to preach the quality of this wagon to you as it would be to tell you that they are painted yellow.

If you wish to be further informed, just seat yourself by the roadside for a few minutes,
