SYLVA, N. C., DEC. 20 1918.

\$1.50 THE YEAR IN ADVANCE

A PROMISE

Have you redeemed your W. S. S. pledge? The time is short in which to buy your stamps.

I earnestly urge every one who pledged to buy as quickly as possible, for the Government is expecting every one to buy all that they promised. The Government's financial requirements have never been more pressing than now. Our troops must be paid and cared for until they have fully accomplished their purpose and returned home.

It is no time for us to relax. Our county has pledged 90 per cent of its assignment of W. S. S. Let's buy 100 per cent. A great many are buying more than they pledged. Will you?

Our States' record is perfect in every phase of the war except the U. S. S. Let's make the step from 90 per cent to 100 per cent.

Respectfully,

F. I. Watson,

Director of W. S. S. for Jackson Co.

Walter Frizzell, who is in the navy, stationed at Pensacola, Fla., is spending a furlough with home folks at Webster.

R. L. Sandidge, of Bryson City was a business visitor here Thursday.

Frederick Moore arrived Tuesday night, from Chapel Hill, to spend the Christmas holidays with his mother here.

ROAD MEETING.

On account of the rain a bad roads very few attended the road meeting at the court house here last Saturday, but those who were present were very much in favor of better roads. Several talks were made and suggestions offered as to the best plans whereby to obtain the money and build the roads.

THE MILLION DOLLAR CAMPAIGN

The million dollar campaign is progressing very well. Many of the churches are about over the top and the work in this county is encouraging at this time.

Webster was the first church to get their quota. L. D. Cowan was the church manager, and he selected a strong committee to help him, and the task was easy; each church can do the same.

Mr. W. T. Crisp, who is the manager at Zion Hill, says he thinks he can get his quota. The individual canvas is his plan. This is a fine way.

Prof. J. C. Ingram and Rev. Floyd Powell were at Balsam Sunday. They had a fine day, and a few of the brethren will stand for the amount asked of that church.

Sylva will get their part without any trouble, and will go away over the top. Scotts Creek will make the drive in a few days. They always do the big thing. Mr. T. C. Bryson is the the church manager.

The good news from Speedwell church is that they will go their allotment. Mr. Z. V. Watson is the efficient church manager, and he knows how to do big things.

Mr. Geo. W. Sutton will go to Old Savannah next Sunday. Of course he will bring good results from his old home.

Mr. Tom Gribble is booked to go to Barkers Creek, Sunday. The good people of that section will do their part.

Prof. Ingram has agreed to go to East Fork next Sunday; Mr. Ingram has a fine speech on Christian Education. The people will not miss it, but will do themselves credit by going their part.

Let every church manager send in report at once. We have till January 1st to get our part of the million. We can if we will.

PAIN KEPT HIM AWAKE NIGHTS

J. W. Peck, Coraopolis, Pa., writes: "I suffered terrible pain; unable to lie down at night. Tried three different doctors. Three weeks ago began taking Foley Kidney Pills; improvement in my condition is really wonderful." Use Foley Kidney Pills for kidney, bladder trouble, backache, rheumatism. For sale by Sylva Pharmacy. adv.

LITTLE CHILD BURNED

Little Mack, son of Dr. and Mrs. D. D. Hooper, sustained a very painful burn last Thursday afternoon, while out playing with several other little boys. The little fellows decided they would smoke and Mack rolled up a piece of paper, one of the boys stuck a match to it and when it began to blaze Mack threw the paper down, but it lodged on his clothing setting it on fire.

It is very probable, that his little sister, Annie Joe, saved his life by catching him, throwing him to the ground and rolling him in the dirt, thereby stopping the flames, before other assistance reached him. He is improving very rapidly.
