Hall Trew Away Small Fortune

Efforts Of Six Long Years Failed To Bring Relief From Trouble—Is A Well Man Now He Says.

"The past six years has just been one fruitless effort to find relief after another until I started taking Tanlac," said W. H. Hall, a well-known business man located at 19th Avenue and First street, Meridian, Miss.

"Ten or twelve ago I commenced to have frequent headaches," he continued. "I got nervous and shaky and my rest at night was broken. This went on several years and I began to suffer with gastritis and stomach trouble. I just went from bad to worse and for the last six years I haven't seen a well day. I couldn't digest a thing and even the sight of food made me sick. I was completely run down and in no shape to look after my business.

"After I had spent a small fortune for treatments and medicines without getting any relief I heard about Tanlac and began taking it. I have just started on my third bottle of Tanlac and it has made a well man of me. The headaches and nervousness have disappeared completely. I can eat just all I want and enjoy it thoroughly and digest easily. I sleep like a child at night and am in better shape now than in years."

Tanlac is now sold in Sylva exclusively by the Sylva Pharmacy; in Erastus by M. L. Coggins and in Glenville by W. M. Fowler.

POISONOUS WASTE CAUSES SICKNESS.

When the kidneys are well they filter waste matter from the blood. When sluggish or overworked, the kidneys fail to clean the blood, and poisonous substances lodge in joints and muscles to cause aches, pains and soreness. Foley Kidney Pills strengthen, act quickly and relieve kidney and bladder trouble. For sale by Sylva Pharmacy. adv.

We have a complete display of

Allen Princess Ranges

made of Copper bearing Iron, making it Rust Proof and the greatest heat retainer on earth.

We also wish to mention one other type of Stove

The Boss Hot Blast.

The grate has a sliding devise which makes it possible to get rid of any size piece of slate or sinder without going into the top and soiling your hands and clothes. The fir box has the sectional lining which makes it stand both extremes, hot and cold without any warping or giving away. These two features alone will insure double the life of any other hot blast heater.

PRINCE ALBERT

SAY, you'll have a streak of smokeluck that'll put pep-in-your-smokemotor, all right, if you'll ring-in with a jimmy pipe or cigarette papers and nail some Prince Albert for packing!

Just between ourselves, you never will wise-up to high-spot-smoke-joy until you can call a pipe by its first name, then, to hit the peak-of-pleasure you land square on that two-fisted-man-tobacco, Prince Albert!

Well, sir, you'll be so all-fired happy you'll want to get a photograph of yourself breezing up the pike with your smokethrottle wide open! Talk about smoke-sport! Quality makes Prince Albert so appealing all along the smoke line. Men who never before could smoke a pipe and men who've smoked pipes for years all testify to the delight it hands out! P. A. can't bite or parch! Both are cut out by our exclusive patented process!

Right now while the going's good you get out your old jimmy pipe or the papers and land on some P. A. for what ails your particular smokeappetite!

You buy Prince Albert everywhere tobacco is sold. Topsy red bags, tidy red tins, handsome pound and half pound tin humidors—and that classy, practical pound crystal glass humidor with sponge moistener top that keeps the tobacco in such perfect condition.
