A JACKSON COUNTY BOY IN FRANCE

Dear Editor:—I am one of the boys who have been there and I am sending you the following lines for publication for the benefit of folks at home, and especially to the boys who have only seen service in the States, but who think they would have enjoyed a term on some active front. I am sorry indeed for them that they were so unfortunate as to have had to stay at home. The sound of shrapnel shells is anything but the sweetest of music and the mention of gas and machine gun bullets, which they have never heard, even now brings back unpleasant memories to my mind. No doubt they think they have missed something—and they sure have, for the show is over and they were absent. Had they been along the Meuse river for the few weeks previous to the signing of the armistice they would certainly have had the opportunity to witness many things, any of which would have changed their minds.

I will tell about one thirty hour period, ending at 11 o'clock, Nov. 11th. Firing had hardly ceased for a minute of the time and as we were moving forward for the attack most of the Boche guns were trained on our advancing columns and they did not waste many shells getting the range, as it was broad daylight when we neared their first lines. Many of the boys who went in that day are now lying in lonely graves in France. I saw many boys blocked off with bursting shells. I sure feel lucky myself. But most of the boys bumped off in my battalion was caused by machine gun bullets on the last morning of the war. You boys at home may think you would have liked a taste of war, but I have seen a touch of hell, and there were none near me who were not thankful when 11 o'clock came on that eventful day; for not a gun was fired after the hour. Almost immediately the Boche came out to shake hands and our time since then has been a long series of hard hikes and drills. If you don't understand about these hikes, ask your son or brother. He can tell you.

Very respectfully
Sgt. JAMES C. PANGLE.

COME

CLEAN-UP DAY WEDNESDAY.

The Commissioners of the town of Sylva having set aside Tuesday and Wednesday, May 27 and 28 as clean-up days for the town, now therefore I do hereby call upon all citizens of the town to clean up their premises on Tuesday May 27 and place all trash at a convenient place where the wagons working for the town can pick it up and haul it to the city dump. The wagons will call at all parts of the town on Wednesday May 28, and it is requested that all refuse be ready at the time the wagon calls in order to avoid the expense of a second trip.

The Commissioners have done this for the convenience of the people to make the town a more sightly and a more sanitary place, and the co-operation of all citizens is requested.

RESOLUTIONS OF RESPECT

Whereas God in his goodness has seen fit to call from our midst our sister Mrs. Harritt C. Peek, wife of B. M. Peek. She was born Feb. 2 1860 departed this life Feb. 12 1919 She leaves a husband and five children and a host of friends to mourn their loss.

She has been superintendent of our Sunday School here at Pine Creek and also a teacher for a number of years.

She was a devoted christian woman and was loved by all who knew her.

Be it resolved:

1. That in the loss of our sister Mrs. Peek our Sunday School has lost a faithful member and though we shall miss her we will say "not our will but thine be done."

2. That though she is dead she is not forgotten, may her life inspire us to undertake greater things for the Master.

3. While we the members of this Sunday School realize our loss we bow in humble submission to the will of Him who doeth all things well; we mourn but we do not murmur believing as we do that our loss means gain to our departed sister.

4. That our sincere and heartfelt sympathies be extended to the bereaved family, that a copy of these Resolutions be presented to the family, another published in the Jackson County Journal.

HOME COMING AT STATE COLLEGE

West Raleigh, N. C., May 19—Monday, May 26th, has been especially set as Alumni Day of the commencement of the North Carolina State College, the dates of which are May 25-30. It is planned to make commencement week a big after-the-war home-coming, and many of State's 2000 service men, the majority of whom have returned, are expected to be on hand for their class reunions and to renew the memories of college life and acquaintances. Those who could not go over will lose much if they are not present to greet the returning ones and hear the tales they have to tell. Monday will be entirely given over to alumni activity.

The annual meeting of the General Alumni Association is called for 9 A. M., May 26th, in the Y. M. C. A. auditorium. There are many important matters to come before the body this year, and this is expected to consume practically all of the morning. The form of memorial to be erected to the thirty-two alumni who made the supreme sacrifice for their country is one of the things to be decided at that time.

Luncheon will be served for the alumni in the dining hall.

At 4 P. M. there will be a get-together in the Y. M. C. A. of all men who have been in the military service of the country. It is planned to form a North Carolina State veteran association to be affiliated with the American Legion. Suitable memorial exercises will be held for the thirty-two who will not come back.

The class reunions will take place at 5 o'clock. The members of the classes of 1909 and 1914 are being especially urged to make their plans to be present. Letters have been sent out to the members by class officials calling their attention to the reunions, along with plans for the exercises. Engraved commencement invitations are also being sent by the college. Many replies are being received, the large majority of which express anticipation of being present.

An alumni buffet supper has been arranged for 7 o'clock in the dining hall. This will be one of the main features of the day. Special tables will be reserved for the reunion classes.

BUXTON WHITE,
Director.

C. M. Wells, who has been in Virginia for some time, has returned to his home here.

SYNOPSIS OF MEETINGS

Friday May 16, ended at Webster, big organization meetings over this county. At Qualla, Olivet and Webster there were fully 350 people who voted without a dissenting vote for organization. Presidents J. M. Worley, C. E. Campbell and W. L. Cowan; vice presidents Will Patton, D. U. Owens and John Henderson; secretaries Rev. Blackburn, John N. Lambert and Miss Maoin were made officers.

John's Creek, Barker's Creek, Cullowhee and Tuckaseegee have called other meetings so that after considering they may organize.

The speakers—Miss Gray, Mr. Jones and Mr. Kirby—held the people spell bound. Through our tears, laughter and smiles no one doubted but what organization is the thing. Never shall this county fail to be thankful for these distinguished guests.

Now, let us so push these organizations that they will count for the ideal physical, intellectual, and social advancement.

At Qualla and Olivet times were set when the boys and girls shall meet to unite themselves into one body.

Trained Nurse Now Testifies

Says She Feels Made Over Since Taking Tanlac Gains Nine Pounds.

Mrs. F. O. Forrester, a trained nurse residing at the Grand Central Hotel, Denver, Colo., is but one of this high profession who have testified to the merits of Tanlac. Mrs. Forrester recently said:

"I had been in miserable health seven years, suffering from indigestion. Everything I ate would sour and even cold water would cause me much distress. The pains in my chest and about my heart were almost unbearable at times and I suffered terribly from neuralgia. I would have vomiting spells daily and for three months couldn't retain a thing on my stomach but oatmeal. Often at night I would wake up feeling like I was smothering to death and would have to get up out of bed and stand on my feet awhile to get my breath.

"One of my friends who knew of my awful condition and who had been benefited by Tanlac advised me to try it. I did so and my relief has been remarkable. Really I feel like I have been made over again. I have already gained nine pounds in weight and intend to keep on taking Tanlac as long as it does me as much good as it is now."

Tanlac is sold by all first class druggists.

Mrs. Jesse L. Dillard entertained a few friends Wednesday afternoon, complimentary to Mrs. Jack Morris, who leaves next Sunday for a visit to her parents in Oregon. After an interesting contest delicious refreshments were served.

Mesdames W. C. Hill and W. H. Oliver are visiting in Asheville this week.

STATE COLLEGE SUMMER SCHOOL

The authorities in charge of the fifth session of the State College Summer School which begins on June 10 and lasts through July 23 are planning for a larger attendance, and are sending out the catalogues which are the most complete and well gotten up of any heretofore prepared. These catalogues may be had upon application to Dr. W. A. Withers, Director, West Raleigh N. C.

Special attention has been given to course for the Intermediate grades and a noteworthy faculty has been gathered for these and all other courses.

Among the instructors selected to teach the intermediate subjects are Miss Virginia La Fayette Nelson, a graduate student at the Teachers College, Columbia University, who will conduct the Intermediate Demonstration School. It is hoped that the Summer School students will set apart certain hours daily to attend the Demonstration School. Dr. R. Y. Withers, Plant-breeding Agronomist of the North Carolina Experiment Station, and formerly a member of the Agricultural Faculty of Cornell University, will give a course in Agriculture for the Grammar Grades. Mr. E. L. Best, Superintendent of the Franklin County Schools, will give a course entitled Teaching Grammar Grade subjects. Mr. J. C. Lockhart, Superintendent of the Wake County Schools, will give a course on Teaching of History and Principles of Teaching. Miss Maud Barnard will conduct the classes in Story-telling. Mr. Harry Howell, Superintendent of the Raleigh Public Schools, will give a course in Reading and Language. Dr. T. C. Amick, Professor of Mathematics at Elon College, will give a course in Arithmetic for Grammar Grades and Miss Elizabeth Johnston Primary Supervisor of the Hanes School at Winston, will conduct the course in Grammar Grade Games.

May 8 1919.

As I think of our dead heroes these words come to my mind:

The hard fighting soldiers, their dangers were great; And many, while fighting, met their sad fate.

They were doing their duty, as all soldiers do, Shut out from all pleasures and darling ones, too.

While they were fighting for those whom they love, The shrapnel that killed them came from above.

They were only soldiers and fighting for liberty; They were brave soldiers but now they are gone.

Just why they were taken no one can tell.

Their fighting is over; poor soldiers, farewell.

They were always ready each command to obey;

And looking to liberty, the only true way.

God pity such soldiers and carry them to rest.

And protect from all dangers with your dear strong arm.

They will always be ready your calls to obey;

And looking to Jesus, the only true way.

They leave their companions and loved ones, too,

To mourn their deaths as all heroes do.

God pity the mother who mourns for her son,

And cause her to rejoice for the good he has done.

Let us stand ready all calls to obey, And fighting for liberty, always the true way.
