By H. C. MOSS, Dputy.

To Those Who Have a Little Money and Who Want to Make More.

We are going to let somebody have the Paige and Jewett line of cars and trucks for Jackson by March 1st.

This is today the best contract to be had in the automobile game. We have the best line for the money to be offered. Nothing in its class for value and performance.

We are direct factory distributors and pay more for selling our cars than you can get working under a state distributor. We will allow you 20 per cent on all Paige and Jewett cars sold in the County which you contract for.

We have been with the Paige people for eight years, and up to a few months ago working under a state distributor for seven and one-half years, and only got 20 per cent. Now we have a direct contract with the factory and can start you in at 20 per cent, and the more you sell the more you get. Besides, we have the Jewett line of cars, cylinder with 50 horse power that sells for \$1,000. Nothing in its class for the money. Three to four hundred dollars in profit.
