Mrs. Gross Praises Tanlac for Overcoming Stomach Trouble—Says Results Are Priceless.

"Before I took Tanlac I only weighed ninety-four pounds and scarcely had strength to sweep the floor; but now I weigh one hundred and thirty-two and am as healthy and happy as can be." This remarkable statement was made, recently, by Mrs. Mabel Gross, 1187 Aldrich St., N., Minneapolis, Minn.

"For nearly two years I had been in a seriously weakened condition and suffered nearly all the time from headache and backache. My nerves were beyond my control and I was terribly dizzy. I couldn't half sleep and my stomach was so out of order that even the sight of food nauseated me.

"The benefits I have received from Tanlac are priceless. I am now a perfectly well woman and my friends often speak of how healthy I look. Health is worth everything, and that is what Tanlac has meant to me."

Tanlac is for sale by all good druggists. Over 35 million bottles sold.—Advertisement.

Enormous Cost of the World War.
 An estimate made in behalf of the Carnegie Endowment for International Peace shows that the cost of the World War exceeded \$335,000,000,000. This amount is equal to the combined wealth of the United States, France and Great Britain when the war began.

If You Need a Medicine You Should Have the Best

Have you ever stopped to reason why it is that so many products that are extensively advertised, all at once drop out of sight and are soon forgotten? The reason is plain—the article did not fulfill the promises of the manufacturer. This applies more particularly to a medicine. A medicinal preparation that has real curative value almost sells itself, as like an endless chain system the remedy is recommended by those who have been benefited to those who are in need of it.

A prominent druggist says, "Take for example Dr. Kilmer's Swamp-Root, a preparation I have sold for many years and never hesitate to recommend, for in almost every case it shows excellent results, as many of my customers testify. No other kidney remedy has so large a sale."

According to sworn statements and verified testimony of thousands who have used the preparation, the success of Dr. Kilmer's Swamp-Root is due to the fact, so many people claim, that it fulfills almost every wish in overcoming kidney, liver and bladder ailments, corrects urinary troubles and neutralizes the uric acid which causes rheumatism.

You may receive a sample bottle of Swamp-Root by parcel post. Address Dr. Kilmer & Co., Binghamton, N. Y., and enclose ten cents; also mention this paper. Large and medium size bottles for sale at all drug stores.—Advertisement.

Why Bee Favors Blue.
 It is believed that the bee's taste for blue flowers arises from the fact that blue is the color of the most advanced flowers.

WOMAN SO ILL COULD NOT WORK

Gained Strength, Weight and Now Doing Own Work, by Taking Lydia E. Pinkham's Vegetable Compound

Marion, Ind.—"I was all run-down, nervous and bent over. I could hardly drag around, let alone do my work. I read some letters in the papers telling what Lydia E. Pinkham's Vegetable Compound had done for others and I thought I would try it. Then a man told my husband about his wife and what good it had done her and wanted him to have me try it. I took one bottle and could see what it did for me in a week's time, and when I had taken three bottles I had gained both in strength and weight and was doing my own work. I took it before my last baby was born and it helped me so much. I am sure am glad to recommend the Vegetable Compound to any woman who suffers from female ailments, for I know by experience what it can do. I have used Lydia E. Pinkham's Sanative Wash, also the Liver Pills, too, and think them fine."—Mrs. Wm. ELDRIDGE, 620 E. Grant Street, Marion, Indiana.

A record of nearly fifty years service should convince you of the merit of Lydia E. Pinkham's Compound.

Guard Against "Flu" With Musterole

Influenza, Grippe and Pneumonia usually start with a cold. The moment you get those warning aches, get busy with good old Musterole.

Musterole is a counter-irritant that relieves congestion (which is what a cold really is) and stimulates circulation. It has all the good qualities of the old-fashioned mustard plaster without the blister.

Just rub it on with your finger-tips. First you will feel a warm tingle as the healing ointment penetrates the pores, then a soothing, cooling sensation and quick relief.

Have Musterole handy for emergency use. It may prevent serious illness. 35c and 65c, in jars and tubes. Better than a mustard plaster
