WOMAN SO ILL COULD NOT STAND

Says Lydia E. Pinkham's Vegetable Compound Made Her Well and Strong

Glens Falls, N. Y.—“For over two months I was so sick I was not able to stand on my feet, and my husband did my housework. The doctor said an operation might be necessary. I read testimonial letters about Lydia E. Pinkham's Vegetable Compound and began to take it. Before I had finished taking the first bottle I saw what good it was doing me. I am now well and strong, doing all my work for a family of four, all my washing and my sewing, which I think is remarkable, as I had not dared to run my sewing machine, but had done all my sewing by hand. I truly feel that were it not for your medicine I would not be here today as my case seemed very serious.”—Mrs. GEORGE W. BURCHELL, Glens Falls, N. Y.

Free upon Request
Lydia E. Pinkham's Private Text-Book upon “Ailments Peculiar to Women” will be sent you free, upon request. Write to the Lydia E. Pinkham Medicine Co., Lynn, Massachusetts. This book contains valuable information that every woman should have.

PE-RU-NA

For Coughs, Colds and Catarrh

Mr. E. W. Marshall, Brampton, Michigan, suffering from Systemic Catarrh involving Head, Nose, Throat and Stomach, claims a complete cure. His letter is convincing: “For the past two years I have been troubled with systemic catarrh. I used several boxes of Pe-ru-na tablets and they have effected a complete cure. I do not hesitate to recommend Pe-ru-na for all catarrhal conditions.”

Mr. Marshall is just one of many thousands who have been benefited by Dr. Hartman's famous medicine in the past fifty years.

It is by stimulating the digestion, enriching the blood and toning up the nerves that Pe-ru-na is able to exert such a soothing, healing influence upon the mucous membranes which line the body. It is a wonderfully effective remedy to restore strength after a protracted sickness, the grip or Spanish influenza.

IF SICK, BILIOUS! START YOUR LIVER

Don't Take Calomel! “Dodson's Liver Tone” Acts Better and Doesn't Grip, Salivate or Make You Sick—Don't Lose a Day's Work—Read Guarantee!

Ugh! Calomel makes you sick. It's horrible! Take a dose of the dangerous drug tonight and tomorrow you may lose a day's work.

Calomel is mercury or quicksilver, which causes necrosis of the bones. Calomel, when it comes into contact with sour bile crashes into it, breaking it up. This is when you feel that awful nausea and cramping. If you are sluggish and “all knocked out,” if your liver is torpid and bowels constipated, or you have headache, dizziness, coated tongue, if breath is bad or stomach sour, just try a spoonful of harmless Dodson's Liver Tone tonight.

Here's my guarantee—Go to any drug store and get a bottle of Dodson's Liver Tone for a few cents. Take a spoonful and if it doesn't straighten you right up and make you feel fine and vigorous I want you to go back to the store and get your money. Dodson's Liver Tone is destroying the sale of calomel because it is real liver medicine; entirely vegetable, therefore it can not salivate or make you sick.

MOVE SICK CHILD'S BOWELS WITH “CALIFORNIA FIG SYRUP”

MOTHER! Even Bilious, Upset, Tongue-Coated Children Love this Pleasant, Harmless Laxative

A teaspoonful of “California Fig Syrup” now will thoroughly clean the little bowels and in a few hours you have a well, playful child again. Even if cross, feverish, constipated, or full of cold, children love its “fruity” taste, and mothers can rest easy because it never fails to work all the souring food and nasty bile right out of the stomach and bowels without griping or upsetting the child.

Tell your druggist you want only the genuine “California Fig Syrup,” which has directions for babies and children of all ages printed on bottles. Mother, you must say “California.” Refuse any imitation.
