What's Going on in Your Town?

And what's going on in your county, in North Carolina; in the United States, and beyond?

The first requirement for a keen interest in life—for happiness, therefore,—is a knowledge of events in your own world and the world outside.

There is one way, and one way only, to get this knowledge.

Read The Newspapers!

Your own local newspaper first, of course, but others too, if you can possibly afford them.

And remember that when you read newspapers you get not only news but also the fruit of the world's wisdom. For newspapers record the words and the work of the greatest doctors and lawyers, the greatest scientists, scholars, preachers and philosophers, the greatest bankers, merchants and statesmen.

They are all talking to you—through the press. Read the newspapers and especially your home paper.

For rates or other information consult your local newspaper or write to the Secretary of the North Carolina Press Association, Raleigh, N. C.

FORD

FOUR REASONS WHY YOU SHOULD BUY YOUR FORD CAR THIS MONTH

I

The unprecedented demand for Ford Cars throughout the winter months has taken the entire output of the Ford plants working at capacity, indicating that the demand this Spring will be far in excess of the number of Ford Cars that can possibly be built.

II

January was the tenth consecutive month in which retail deliveries exceeded 100,000 Ford Cars and Trucks. Requirements for February, the month when preparations are already under way for Spring business, called for 148,407 Cars and Trucks—more than 24,00 in excess of the number we can possibly produce.

III

Ford dealers in many parts of the country are already finding it necessary to specify future delivery on Ford Products because there are no reserve stocks to draw from.

IV

Your order placed now will protect you against delay or disappointment later on—It is the only way you can be assured of reasonably prompt delivery.

We consider it important to give you these facts, so that if you are planning to purchase a Ford Car, Truck or Fordson Tractor for use this Spring or Summer you can list your order at once and take advantage of our dealer's first opportunity to make delivery.
