FUNERAL HELD FOR DR. A. E. BROWN

Dr. A. E. Brown, head of the Baptist Mountain Schools, of the Southern Baptist Convention, and known and loved throughout a number of the southern states, died at his home in West Asheville last Friday morning at 7 o'clock.

The death of Dr. Brown was a great shock to the people of Sylva and Jackson county, where, as the leading spirit in the Sylva Collegiate Institute, he had been known and loved for many years. He was a brother of Mr. F. A. Brown, of Sylva.

The following account of his death and funeral is taken from various issues of the Asheville Times.

Rev. Dr. Albert E. Brown, for the past 25 years superintendent of the mountain school department of the Southern Baptist Board of Home Missions, and one of the most prominent Baptist educators of the south, died suddenly at his home 39 Tremont street, in West Asheville, this morning.

Death occurred shortly after seven o'clock, from an attack of heart disease. Dr. Brown had been in his garden a few minutes previously, and became suddenly ill. He was called and a doctor was called, but he died within a few minutes. He had been seriously ill for some weeks previously with a complication of ailments, but recently had been much improved.

Dr. A. E. Brown was born near Jefferson City, Tenn., August 1, 1863, and was 61 years of age at the time of his death. He was educated at Carson-Newman college, where he was graduated with degree of A. L. and later had the degree of Divinity conferred upon him. He entered the ministry, and for a time was at Hixsonville, later becoming pastor of the West End Baptist church in the city, where he served a year or more. He was pastor of the West End church when he received appointment as superintendent of the mountain schools. He devoted his life to this work and was eminently successful in it.

On October 1, 1923 Rev. J. W. O'Hara became assistant superintendent and has been acting as such since that time. Dr. Brown was married to Miss Amanda A. Whittaker 38 years ago. They have three children surviving: W. A. Brown, of Asheville; A. M. Brown, of Asheville; and Mrs. Green Baker, of Asheville; Mrs. R. T. Gossett, Asheville; Mrs. R. O. L. Deitz, West Asheville. Other immediate relatives are two brothers, T. L. Brown, of Asheville, N. C., and F. A. Brown, of Sylva, and a sister, Mrs. Sallie Walker of Asheville.

Funeral services were held Sunday afternoon at the Calvary Baptist church. The following services were given: the church; Hymn, "Abide With Me"; scripture reading, Rev. J. I. Deitz, quartet, "The Beautiful Land"; funeral orations, Rev. F. Deitz and Dr. F. F. Brown; address, Rev. Dr. Livingston Johnston; prayer, "How Firm a Foundation"; funeral oration, Dr. J. W. O'Hara; song, "How Firm a Foundation"; "Sweet By and By"; "Asleep in Jesus"; and song, "Abide With Me."

WILSON RETIRES FROM LONG SERVICE WITH C. N. & I. S.

Mr. J. N. Wilson, after twenty-four years of faithful service in Cullowhee Normal and Industrial School in several different capacities tendered his resignation, to take effect at the end of the school year, but at the earnest solicitation of the board of trustees, has consented to serve until the first of September.

Mr. Wilson's letter to Hon. Walter E. Moore, Chairman of the Board of Trustees, follows:

My dear Sir:—Since your Board is to meet within 10 days for the purpose of electing officers and teachers, I wish to say that after 24 years of service to this institution, rendering at all times the best and utmost which I have been capable, I desire that you will not consider me a resignation. My service, running through the best part of my manhood, has been largely a labor of love, for my zeal and unflagging interest in promoting the welfare of this school have been inspired by my love for my Alma Mater.

As you and several other members of the Board are aware, I have endeavored for several years past to secure release from my arduous duties, but I have repeatedly yielded to the kindly insistence of members of the Board and other friends of the school, and because the approval of my continuance was placed upon the ground that it was my duty to meet the institution's need at those particular times. But now that conditions no longer warrant my making further personal sacrifice, I am making this request.

I am deeply grateful for your many evidences of friendship and for the sympathy and understanding with which I am asking this special relation with the school. I am glad to accept my sincere appreciation of my appreciation for the cooperation and courtesies accorded me by the Board. My best wishes go now and ever for the dear ones of the school, and my love and loyalty shall remain with you while we shall last meet personally and faithfully yours.

J. N. WILSON.

EGG STORAGE IN TRANSIT AUTHORIZED BY SOUTHERN

Atlanta, Ga., June 6.—To encourage the development of the poultry industry in the South, the Southern Railway System has authorized the storage in transit of earload shipments of eggs at Atlanta, Birmingham, Chattanooga, Louisville and Jacksonville, through its "Egg Transit Tariff No. 1" which has been filed with the Interstate Commerce Commission and is now in effect.

Under this tariff, eggs can be placed on storage in the cities named, at which there are ample refrigeration facilities, and later reconsigned to a wide range of destinations at the through rate from point of origin, plus transit charges of five cents per hundred pounds. Eggs placed on storage under this arrangement can also be exported through South Atlantic and Gulf ports to Cuba and South American countries in which there is a large market for eggs from the United States.

In explaining the advantage of this arrangement to poultrymen of the South, General Agricultural Agent R. Land Turner, of the Southern, said:

"This arrangement has been put in effect to encourage dealers and organizations of farmers at local points to buy eggs during the heavy laying season, accumulate them in earload lots, and ship them to the storage points where they can be held until market conditions justify shipping them for sale. In this way farmers will be provided a fair and market for their eggs at favorable prices instead of having to take whatever may be offered for eggs during the heavy months when the local market is glutted."
