CULLOWHEE LOSES HARD FIGHT TO CANTON HIGH

Cullowhee, Nov. 2.—The Cullowhee State Normal eleven pulled another surprise here yesterday when they held the strong husky eleven of Canton High to a score of 18-0. The Canton team has played for three years and outweighing the local lads fifteen pounds to the man, were supposed to win by at least fifty points over the youngsters who played their first game only three weeks ago.

The first score came in the first eight minutes of play as a result of a series of end runs. After that the locals overcame their nervousness and played a steady game until in the third quarter Canton was able to execute a forward pass and again cross the goal line. In the last quarter they forced themselves through by sheer weight for another touchdown. Each team executed one forward pass. Reeves and Turbyfill, who each weigh under 125 pounds, played unusually well, but again Hooper furnished the thrills of the game. He was in almost every play and evidently believed, "The bigger they are, the harder they fall."
