JEFFERSON COUNTY BANK BUILDING NEW HOME

The Jackson County Bank is to have a handsome new banking house, on lot next to the Rhodes' Building, built by the bank for a number of years. The new building is to be of brick and will be three stories high, making a handsome and popular financial institution. The work of removing the old post office building from the lot and of erecting the new building was started Monday morning and the bank expect to have the new building by early summer.

THIEVES STRIKE BALSAM

The Balsam Store and the Southern R. Co. were broken open last Friday night or early Saturday morning. The burglars took the lock off the door and entered Balsam. They took about sixty dollars in cash from the safe, and a gold watch which belonged to Mrs. Farwell and had been in her possession several years. Mrs. Farwell's watch was very high priced. They also took a few pennies in cash from a drawer which they had the key to.

A elaborate dinner was served at the home of Mr. and Mrs. E. Jones. These present were: Mrs. R.R. Fisher of Adelle, Sallie Fisher of Azalea, Mr. Mrs. Floyd Bullock and two daughters, Fred, Rockburg, Va., Mrs. D. Paxton and family of and Master Walter Fisher of Adelle. The number of guests were 15. After dinner, fruits and candy served by Mrs. Jones. Many interesting topics were discussed. This was a most enjoyable affair that was in Balsam during the holidays and the guests were loath to leave and the hosts good-by.

Mr. M. C. Green and family, Mrs. Green's parents, Mr. Mrs. Caraway, left just before 10 o'clock for their former home in town. S. C. Green has his home and business interests here. Many friends in W. County regret to know of their departure.

Miss E. C. Picklesimer, who is teaching at Oakland, N. C., spent Christmas with home folks. Mr. Alden Penland was in Whiteside Monday. Everyone enjoyed the entertainment and Christmas tree given at Whiteside Cove school house Dec. 24. Misses Bable and Lois Edwards return to their schools Sunday afternoon, after spending the holidays with home folks.

The young folks enjoyed a party given at C. Edwards', Saturday night. Those present were: Miss Pearl Johnson, Misses Mary and Margie Edwards, Edith Picklesimer, Mr. and Mrs. F. A. Edwards, Clifton Moody, Herman McCall, Nelson Hooper, Floyd Troy and Trui Edwards, Willie and Lena Watson, Mr. and Mrs. Edd Edwards, Virginia Edwards, Oley Lombard, Mr. and Mrs. John Edwards, and Mrs. E. B. Norton. All reported a nice time.

MAN FROZEN IN DESERTED HOUSE

Bridge, Ga.—An old man was discovered, practically frozen in a deserted house, about 15 miles from the city. He was rushed to an automobile, and resuscitation administered, but he died before reaching here. The man never regained consciousness and his identity remains a mystery. The sound in the house attracted the attention of a passerby, the house was entered and the man found. He was already unconscious and appeared to have been there about a week. Some straw was found near his bed. Nothing was known of the person until he appeared to be dead. He was taken to a hospital where he died. He was identified as John T. Jones. He was buried here Monday.

LOCAL VETERANS RECEIVE ADJUSTED COMPENSATION

Local World War Veterans receiving their adjusted compensation certificates on Friday of week, and they are coming in some of the certificates for men were included in the first 000 which were mailed from Washington at midnight of December. They range in amounts from slightly under \$1600.00 down to \$51.00, and are payable on January First 1925 or at the death of the veteran if prior to that time.

Approximately 600,000 adjusted service certificates, representing \$750,000,000 as part of the bonus voted for world war veterans by congress, were placed in the mail at midnight by the veterans bureau. Promptly as the new year began more than 250 sacks of mail were moved from the bureau to the railroad station. Under the law the certificates were not to be issued before January 1.

By arrangement with the postoffice department, a postal branch was established at the bureau and as each certificate was completed it was addressed, stamped and the stamp cancelled ready for the train. The 30,000 checks for amounts of \$50 or less, representing the cash payments for soldiers who served only a short period, have been prepared at the bureau, but these under the law are not to be mailed out until March 1.

In mailing the insurance certificates, the only preference made was to those veterans who have died since applying for the bonus. These total not more than 700 and beneficiaries of the soldiers may receive payment immediately. The certificate, properly endorsed, together with proof of death of the soldier, must be returned to the veterans bureau before payment is made. Payments on any other certificates are not to be made before March 1.

Director Lines estimated that from now on, about 20,000 certificates will be mailed daily.

To date the war department has received 2,800,000 applications for adjusted service certificates, or an average of 12,500 applications daily. More than 450,000 applications were returned to veterans because they lacked signatures, finger prints or other necessary data.

Thus far 15,800 applications have been disallowed.

GIFTS TO CENTRAL HIGH SCHOOL

The Central High School has been greatly aided by donations to the library. Rev. Otho Jones gave some seventy-five volumes and a three year file of Independent magazines. This was a great help to the high school students in their work. Just before the Christmas holidays Mr. Lloyd Brown gave us a set of the "Harvard Classics," consisting of fifty-one volumes of the very best of material. We plan to use these books in parallel reading courses. We still need other books for parallel reading work in English and history classes. Probably next week we expect to have a committee of the high school to call on the friends of Central High to help us in a "book drive." If you have a book or two or a number of books which you can spare let us have them and put them to use among our high school students. If you do not have a book, but want to have a part in the drive, give the committee the price of a book or books.

We have a splendid building. We should put in the very best library possible. We should not be willing to stop merely with meeting the State's requirements, but let us plan to meet the requirements of students. They deserve the very best that can be had. Central high has as good students as any high school. Let us provide the best reading that can be had.

I am, your for service,
A. C. LOVELACE.

PROH. OFFICERS RAID JAX RESTAURANT

Wednesday afternoon prohibition officers, headed by Bob Henry and United States Commissioner R. J. Crawford, armed with a search warrant, invaded Jax Restaurant, in the heart of Sylva, and searched both the restaurant and the rooms of Mr. Wilson. They found no liquors of any kind.

Mr. Wilson, when interviewed by a reporter, was very indignant at the search of his business place and rooms, and stated that he is as much opposed to liquor as any citizen of the county; that he has never had any in his rooms or restaurant, and will not allow the flask to be drunk at his tables or in his restaurant. He expressed himself as being surprised that the search should have been made, and asserted that he will institute court proceedings against the officers and force them to give the source of the information upon which the warrant was issued.

MR. C. G. LOGAN BROUGHT FIRST AUTO INTO W. N. C.

Haywood Journal, Dec. 31.—Appropos to the statement in the Asheville Citizen several days ago that Mr. J. E. Rumbough brought the first automobile to Asheville in 1906, and that Mr. John B. Rumbough brought a Speedwell Car, model 1909, to Asheville in 1911 and made the trip across the Appalachians in September, 1911, the first car to make such a trip, and the farther fact that the chassis of that car is still doing service somewhere in Buncombe County, it is interesting to observe that Mr. C. G. Logan brought a Cadillac to Waynesville in the latter part of 1902, or the early part of 1903 and ran it for about ten years when it was abandoned as a joy speeder, and for several years thereafter the animate part did duty as a power motor for machinery and is now somewhere on Ailen's Creek still keeping up its reputation as a power before the throne.

Mr. Logan told a reporter of the Journal in connection with the subject of pioneer automobiles in this section, that Thomas A. Edison, the electrical wizard, made a trip to Western North Carolina in 1902 in an automobile and journeyed through Jackson County looking for cobalt. After the completion of his survey of this section, Mr. Logan says, M. Edison went to Sylva and from that point departed for his home in New York.

The Citizen says that Mr. Rumbough's car, that made the first trip across the Appalachian Mountains, made the run of over 160,000 miles in the period of its activity. Mr. Logan's pioneer Cadillac made trips through Waynesville and over Haywood County while Jim Thomas was fishing for trout on Main Street near where the First National Bank now stands.

HAYNES KILLED BY HARRISON ROGERS

Canton Enterprise, Jan. 2.—Lawson Haynes was killed in a shooting affray which took place on the head of Fines Creek Christmas Day.

Haynes was a young man about eighteen or twenty years of age and the son of Mr. and Mrs. W. P. Haynes of the Hurricane section, this county. Details of the tragedy have not been learned although it is understood that young Haynes and two brothers visited Rogers' store that day and they and Rogers had some words about a store account. It is said that several shots were fired by the Haynes boys who had shot guns, and that Rogers secured a pistol and opened fire on Haynes, wounding him in the side causing almost instant death. Sheriff Cane was called to the scene and Rogers is out on bond.

It is reported several persons who were present were slightly injured by stray shots, and one of the Haynes boys was also wounded by Rogers as he attempted to escape.

She leaves husband and three children, Miss Kate Battle, Mrs. Horace Howell, Frank Battle, three brothers, Messrs. S. T. G. C. and G. T. Cooper, besides a host of friends and relatives who mourn their loss. But they sorrow not as those who have no hope, for she left good evidence that she has gone to the City of God, where sorrow and suffering are known no more. She had been almost a constant sufferer for about seven years, confined to her home most of the time, but said the Lord met with her and blest her many times in her home. She was of an unusually sunny disposition and was cheerful even in the midst of afflictions. She will be greatly missed by her neighbors who say "A good woman has been taken from their midst".

GENERAL ASSEMBLY OPENS. RALEIGH PREPARES FOR INAUGURATION

By M. L. Shipman

Raleigh, Jan. 5.—With state department heads whipping their recommendations for additional legislation into shape and the arrival of the "advance guard", of the approaching session of the General Assembly, the capital city is looking forward to a big time this winter.

The capital building has been completely renovated since the regular session of the General Assembly in 1923 and the work of setting in order the legislative halls, committee rooms and other working quarters of the solons and their little army of employees is well advanced, so that the preparations will be more nearly complete in every detail than in a long, long time, when the representatives of the "dear pee-pull" assembled Wednesday of this week for a sixty-day sojourn in the state capital.

The new electric lighting equipment, the ventilating system and other improvements for the comfort and convenience of the members are all practically completed and the finishing touches in cleaning and dusting are under way. In a word, the capital is dressed for the occasion as it has never been before in the memory of the present generation "It is a thing of beauty and a joy forever."

The sub-station postoffice that the Raleigh postmaster has provided for the accommodation of the legislature the past several sessions will be set up again in the west wing corridor between the two legislative halls, and will be adequately manned during the session for the convenience of the members. In the language of former Senator Bassett, of Nash, this has come to be an "urgent necessity".

The Legislature will lose little time in getting started. The election of Representative Edgar W. Pharr, Mecklenburg, the speakership seems to be a foregone conclusion and he will doubtless announce the House committees immediately after taking the chair. The Lieutenant Governor, who is President of the Senate, has stated that he will be ready with his committees on the very first day of the session. Frank D. Hackett, of Wilkes, and Alex Lassiter, of Bertie, will be continued as principal clerks of the Senate and House respectively no opposition having developed to either of them.

The State Constitution provides that the General Assembly shall convene in biennial session on Wednesday after the first Monday in January, which, this year, falls on the 7th day of the month.

On Tuesday following, it is incumbent upon a committee, composed of senators and representatives, to canvass the vote cast for Governor and other state officers at the last general election and declare the result in a joint session of the two branches of the Assembly. Tuesday, the 13th, will witness this canvass, and the inauguration of the new Governor is likely to occur on the day following.

The inaugural ceremonies of Governor-elect A. W. McLean will be directed by a committee of the House and Senate and local organizations. The Raleigh Chamber of Commerce has selected the following committee to cooperate with the legislative committee in this auspicious event: General Albert L. Cox, chairman; former Judge J. Crawford Biggs; Dr. E. C. Brooks, president of State College; Mrs. Josephus Daniels, Paul B. Hulfish, Frank H. Jeter, and Robert F. Philips.

The usual custom on such occasions will be followed. Mr. McLean will be met by these committees at the station on the morning of the inaugural and escorted to the Governor's Mansion, where he will be received by the outgoing executive, who will accompany him to the city auditorium in which the inaugural ceremonies are to be held, including the installation of the newly elected state officers.

Following this event will be a luncheon at the Mansion, and later a reception to which the public will be invited. The plans also include an inaugural ball to be held in the auditorium.

EPISCOPAL SERVICES

There will be services at 7:30 Sunday evening, Jan. 11, at St. John's Episcopal church by Rev. J. H. Griffith. A cordial welcome is extended to all.
