SYLVA SCHOOL IN CLASS "A"

The Sylva elementary school has been placed in Group 11, Class A, of the accredited list, by the state department of education, according to information received by Superintendent Lovelace, from Miss Susar Fulghum, supervisor of teacher training.

Miss Fulghum's letter follows: "Dear Mr. Lovelace:—Your annual report of the Sylva Elementary School has been received.

"I am glad to notify you that the school will be accredited in Group 11, Class A, with the understanding that adequate sanitary, drinking and toilet facilities, approved by the State Board of Health, will be installed by your year.

Let me congratulate you on your splendid achievement. I have examined the Principal's reports and feel that you accomplished much good for the Sylva schools, this past year.

Cordially, Susar Fulghum"

BANKS TO CLOSE SATURDAY

Saturday, Memorial Day, the banking institutions of Sylva will be closed all day.

The child needs all six of those foods included in his meals each day, milk, eggs, vegetables, fruit, whole grain cereals and butter and cream.

This Week Is Membership Week and Will Be A Record Breaker For Enrolling New Candidates

Every Town and Township Should Be Represented With Two or More "Live Wire" Contenders For the Magnificent Prizes—End of Rainbow Is Realized With Proverbial Pot of Gold Within Reach of Energetic People.

The race is about to begin. What are you going to do about it? Are you going to join the profit-sharing competition or, are you going to be negligent of the opportunity, at hand? YOU are invited to participate in the division of \$3,000.00 prize list which is made up of the most alluring appropriate and other worthwhile things one could imagine. A little investigation of the prizes offered in the big campaign will convince you of the sterling worth of each and every one of them. There is nothing fetitious placed on any of the prizes in the list and just because the prizes are large and desirable, the most valuable, as well as most beautiful of any that have ever been offered before in this vicinity, no reason why YOU should stand back and figure that they are beyond your reach.

Some might say if it can be possible that one might win such a valuable prize in such a short time. Well, this is the case and this isn't all of it either.

A glance at the prize list nearly staggers one but it is the truest thing you ever read. In a little better than six weeks from the present time these beautiful late model closed cars, \$425.00 ladies' diamond ring, Atlantic City trips and the other handsome and valuable prizes will be awarded the Club Members for the part they have taken in the circulation campaign. A few enthusiastic Club Members have already "climbed on the Circulation Campaign Booster Wagon." One thing that is very noticeable is the enthusiasm displayed by the new members. One young lady who entered last week, was fairly overjoyed by the prospect of winning one of the beautiful cars.

"Here is my nomination for membership and here are twenty-two coupons good for 100 free votes which you will please place to my credit". She said splendid encouragement is being received from all sections of the campaign. And this is not at all strange as it is a well known and absolute fact that this Salesmanship Club campaign is just as advertised in the announcement—fair, square and impartial to each and every participant. Every card has been thrown on the table FACE UP and there will NOT be a dishonest method employed by the management, NOT one word of information will be divulged regarding any participant's relative standing. No one deviation will be made from the published rules and regulations governing the campaign. No person will be approached by the management with a view of having them invest their own money in subscriptions but on the other hand they will be advised through the columns of this paper NOT TO DO SO. The last week of the campaign is BLIND in every sense the word implies closing the campaign with the sealed tin ballot box reposing in the local banks where each and every participant deposits their reports and collections during the entire last week of the campaign, prevents the campaign manager or any one from knowing how many votes or credits the different Club Members have. The final closing of the campaign will be promptly at eight o'clock P. M. Saturday, and promptly at eight o'clock means exactly sixty minutes after seven o'clock and not one second afterwards. Western Union time will be used.

Remember that this is MEMBERSHIP WEEK. This is the week that YOU should send in your nomination and go right after one of the prizes. DON'T PROCRASTINATE—don't wait until it is all over and then say: "How I wish I had gone in to The

Journal Salesmanship Club. I could have won one of those cars or one of the other valuable and handsome prizes just as well as so and so. I could have done much better than she did." Dozens will make this very remark after the close of the campaign. But, it will be too late. TODAY—NOW is the opportune time for you to join the Club and become an active participant and WIN. Your friends and acquaintances will be glad to help you if you will go in whole heartedly—with grit and determination popping from your eyes, and enthusiasm flowing from your tongue they will support you beyond your fondest hopes, and then too, you cannot even lose your spare moments as you will be paid according to what you do.

Combine Pleasure and Health

These automobiles are just two of the many valuable gifts that the Jackson County Journal will give away to those who are nominated in this great prize distribution.

The pleasure and health your family will derive from an automobile will more than repay you for the little easy effort put forth in winning it. Don't envy your neighbor easy it will be to win an automobile of your own in the Jackson County Journal Salesmanship Club.

This Is The Week

Right now—this very day is the time to start your campaign in earnest.

The names of the Club members who have been nominated will soon be published. Thus far a surprisingly small number have been nominated considering the number and value of the gifts to be given away.

There is plenty of room for real "live wires". If you haven't done so yet, then bring in your entry blank right away. You are sure to regret it if you fail to get into the Jackson County Journal Salesmanship Club gift distribution.

NOTE:—Club members are respectfully requested to bring or send in their reports Wednesdays and Saturdays of each week. The management will be away from the office during Mondays, Tuesdays, Thursdays and Fridays of each week working with the various candidates in the territory.

Special Nomination Prize

Would you accept \$25.00 in gold if it was offered to you free put into your hands without one single effort on your part? If so, nominate the winner of the Overland Sedan car and as soon as the official judges declare the winner of this car you will receive \$25.00 in gold.

PICKLESIMER-WILLIS

On Wednesday, May 6th at nine o'clock in the morning, Mr. Ivey Gordon Willis and Miss Ruby Hildred Picklesimer quietly married at the home of Mr. and Mrs. R. W. Piner, Williston, N. C. The bride was beautifully attired in a dark blue ensemble suit, with hat and gloves to match, and carried a lovely bouquet of white roses and ferns.

Immediately after the ceremony Mr. and Mrs. Willis left for the home of her parents, Mr. and Mrs. H. B. Picklesimer motoring a distance of about 550 miles, and taking four days for the journey, passing through twenty counties.

The couple received many lovely and useful presents. Mr. and Mrs. Willis will be at home after June 1st at Williston, N. C.

DO YOU KNOW WHY WEAR A POPPY?

That in the spring of 1919 amidst complete devastation, the poppies bloomed in abundance on the battle fields of France where so many of our men had fallen in battle, and that because of this the poppy has become the Memorial Flower of the American Legion and the American Legion Auxiliary.

That the American Legion was the first national organization to adopt the poppy as its memorial flower, having taken this action at the National Convention held in Cleveland, September 27-29, 1920.

That the American Auxiliary adopted the poppy as its Memorial flower at its organizing convention held in Kansas City, October, 1921.

That at the time the American Legion Auxiliary adopted the poppy it pledged the profits from the poppy sales 100 per cent to welfare relief for the service men and women and their families, thus fulfilling the true meaning of the poppy—an honorable Emblem of Faith which is being kept with all who died, through service to the living.

That the American Legion Auxiliary in order to protect its memorial flower, the poppy, from inroads of commercialism, adopted a National Poppy Program at the St. Paul Convention in 1924 which eliminates the commercial poppy from the sales supply of the Auxiliary.

That only poppies made by the needy and disabled service men and women by the Auxiliary Units will be sold this year by the American Legion Auxiliary.

That 2,000,000 poppies have been made by the disabled in the hospitals in Arkansas, California, Idaho, Kansas, Minnesota, Missouri, Oklahoma, Oregon, Kentucky, Virginia, and Wisconsin under the guidance of the American Legion Auxiliary, and that the men are paid 1c. or more for making the poppies and in most states 1-4c. extra for attaching the official American Legion and Auxiliary label.

That through the American Legion Auxiliary Poppy Program over \$25,000 has been paid this year to the needy and disabled service men and women for making poppies.

That the profits from the sale of 2,500,000 poppies made under the guidance of the American Legion Auxiliary will amount to over \$200,000 most of which will be expended in local relief work for the service men and their families by the Legion Posts and Auxiliary Units throughout the country.

That the National American Legion Auxiliary is asking for 10 per cent of the poppy profits to be contributed to the American Legion Child Welfare Fund which supports the war orphan billets at Otter Lake, Mich.

That the public will have opportunity to help the great work of the American Legion and American Legion Auxiliary and paying a tribute to all who died in the service, by buying a poppy during National Poppy Week, May 23-30.

COWS AND CHICKENS. ADD MONEY INCOME

Raleigh, May 28.—Four cows and a flock of Barred Plymouth Rock poultry transformed the grain farm of Joe Ridenhour of Rockwell in Rowan county from a poorly paying enterprise into one which keeps the level of work about the same during the year and in addition pays a handsome income to the operator.

The story is told by W. G. Yeager, county agent for the Agricultural Extension Service of State College, who says, "Mr. Ridenhour moved to his present farm about four years ago. He began his farming operations by growing wheat, some cotton, corn and other grains. He kept one cow. Two years of grain and cotton farming convinced Mr. Ridenhour that he needed something to supply him with more money. Casting about for a solution, he and his wife decided to add more cows and start a flock of pure bred poultry. They did I visited them last week and found that the dependent grain farm, with its seasons of overwork and underwork, has been transformed into an independent farm with the level of work more nearly uniform throughout the year and with an established, weekly, cash income.

Mrs. Ridenhour takes good care of the eggs and they now have a good butter trade in Salisbury. They sold 996 pounds from the four cows last year for a total of about \$500 in cash. The poultry brought in about half this amount and according to the increase in flocks and better production now being secured from the cows, they expect to raise their income from these sources to over \$1,000 this year."

Mr. Yeager states that this is only a small one-man farm but that it is bringing to its owner success and financial independence. The cows and poultry pointed the way, he says.

TUCKASEEGE-GLENVILLE ROAD COMPLETED

Project 952A, the line of highway from Tuckasee, via the High Falls, to Glenville is now completed. The "Closed Signs" have been removed, and this, the greatest scenic highway in all North Carolina is now open to travel, and will, no doubt, bring large numbers of tourists to that part of the county this year.

Intersecting with Highway No. 10, the Appalachian Scenic Highway, and the Asheville-Atlanta Highway, at Sylva, this road leads up the valley of the Tuckasee to Cullowhee, East La Porte, Glenville, Tuckasee, Cashiers Valley, Lake Fairfield, Brevard and Hendersonville.

Aside from the tourist feature, the road opens up a wonderful trucking, horticultural and stock-raising country in upper Jackson county, and puts that wonderful section in touch with the markets.

R. F. Collins of Wake County bought a brood sow for \$100 and sold \$900 worth of pigs from her in three years. He believes in swine growing, reports county agent J. C. Anderson.

Tom Tarheel says he is going to leave his cotton twelve inches apart in the row this year and try out this thick spacing idea.

The first step in making a better home is to find out where in the present one falls short, states Mrs. Jane S. McKimmon of the State College Extension Service.
