NEW CULLOWHEE BOARD ORGANIZES

Cullowhee, June 10.—The new Board of Trustees for the Cullowhee State Normal School recently appointed by Governor McLean, met Saturday, organized, and transacted an unusual amount of business on a new board. The members had been called together by Governor McLean specifically to hear the report of some special engineers appointed by the Governor to make a study of the needs of the institution, and especially to study the heating system, over which there has been considerable controversy. The engineers who made the investigation were E. C. Wiley, of Lynchburg, Va., of the firm of Wiley and Wilson, consulting engineers, and Professor L. L. Vaughan of State College, Raleigh. They were accompanied by E. B. Boynton, of Lynchburg. Representing Attorney General Brummitt, who had recently ruled that a contract for completing the heating system, held by B. McKenzie, of Greensboro, was invalid, J. H. Harwood, Assistant Attorney General, was on hand to explain the decision of his chief and to render any other service desired by the new board. Appearing before the board in behalf of the McKenzie contract were Judge J. S. Manning, former Attorney General, H. A. Underwood, engineer, Raleigh, and Walter E. Moore, Sylva, recent chairman of the board of trustees. The new board of trustees was of the opinion that the McKenzie contract was invalid, and it is understood that plans will be inaugurated at once looking toward completing the heating system and making other improvements, as authorized by the recent legislature.

Among other matters of business attended to were: the re-election of H. T. Hunter as president of the Normal; the election of certain other members of the faculty; empowering President Hunter to complete the faculty for 1925-26; provision for the settlement of all controversies over rights-of-way for the water system, for taking over the hydro-electric plant, for the improvement of the grounds, securing the services of a school physician; and so on.

Two of the appointees on the new board were not present at this meeting: Messrs. Reuben Robertson, of Canton, and W. O. Dickerson, of Rutherfordton. Those present were: Mrs. Giles Cover, of Andrews and Mrs. J. W. Pless, Sr., of Marion, and Messrs. J. G. K. McClure, Fairview, T. H. Shipman, Brevard, Alex. Moore, Franklin, J. E. Coburn, Bryson City, and Dr. J. N. Hill, Murphy. Mrs. Cover was elected temporary chairman while Reuben Robertson, who was not present, was made permanent chairman. The oath of office was administered by John D. Norton, Clerk of the Superior Court of Jackson County.

LICENSE PLATES ARE HERE.

Motorists are to again receive assistance of the Carolina Motor Club in obtaining their license plates, according to an announcement of J. S. Higdon, Manager of the local office of the Club. Plates serially numbered from 69801 to 70400 have been received and will be distributed beginning with June 15. The plates are orange with black numerals. The Club offices are located at J. S. Higdon's Garage.

Arrangements for the sale of plates have been completed here and automobile owners will be served with every courtesy, Mr. Higdon stated. "The work of the Carolina Motor Club rarely misses an opportunity to serve the motorist, regardless as to whether he is a member. The handling of license plates through these branch offices is one of a number of services rendered motorists during the past."

"Increased membership in the Club is expected here and it is up to the motorists of Jackson county to assist in the work the Club is doing. Officials of the organization have advised me that they are to visit us here and form a really active branch organization to handle the many local affairs pertaining to motoring."

The local office will be open from 9 to 5 o'clock each day to take care of applications for titles and to distribute plates. All trucks are required to have titles and it is suggested that fleet owners who do not wish to be delayed in operating their trucks make early application for title. All municipal and county owned vehicles are required to have title although such titles are delivered without cost.

CULLOWHEE SUMMER SCHOOL OPENS WITH BIG ENROLLMENT

The Cullowhee Summer School opened its first session June 2nd with the largest enrollment in the history of the school. The attendance shows fifty one percent increase over the first summer session of 1924, the total enrollment to date being 286. Both Moore Dormitory and Davies are reserved for young women have been taxed to their capacities, and the men and a large number of young women are boarding in private homes in the community.

The records show that forty counties and four states (exclusive of North Carolina) are represented among the student body. It is gratifying to note the large number of students coming from the central and eastern parts of the state to share both the educational and climatic advantages offered at Cullowhee.

Among the summer school instructors employed in addition to the regular members of the faculty are: Miss Helen Diller, Instructor in English, Teachers' College, Columbia University; Miss Maude Hall, Instructor in English, East Carolina Teachers' College; Miss Mary Conoly Head of Education, Flora MacDonald College, Mrs. D. H. Tillett, Teacher of Fifth Grade, Andrews City Schools; Miss Margaret Newton, Teacher in Primary Grades, Tiptonville, Tennessee; Miss Lillie B. Stephens, Teacher of Seventh Grade, Biltmore Schools; Miss Nettie Brogdon, Supervisor of Elementary School, Jackson County; Mr. L. L. Lohr, Assistant High School Supervisor of North Carolina; Mrs. Mary Sease, Supervisor of Drawing, Durham City Schools.

President Hunter is delighted with the large number and the personnel of the present summer school, and he states that the outlook for the second session, July 14th to August 21st is very promising. Reservations and inquiries are coming in rapidly. Several new instructors have been engaged for the second session, and every effort will be made to make it pleasant and profitable for those who attend.

RURAL MOTHERS TO ATTEND COLLEGE

Raleigh, June 10.—Splendid short course and club encampment have been arranged for club boys and girls in North Carolina by the Agricultural extension specialists of State College. But now the mother is to be recognized and have short course strictly of her own. It will be held at the College in Raleigh during the Summer School and will last for one week beginning on June 15 and closing on June 20. The school will be under the direction of Mrs. Jane S. McKimmon, State Agent in charge of home demonstration work and she invites every adult home demonstration club member to attend. Nor is the invitation limited to club members alone as this course is planned for all the rural women of North Carolina.

Mrs. McKimmon states that the short course will cover in an advanced way many of the things now being taught by home agents. Instruction will be given in foods and nutrition, in clothing and interior decoration of the home, poultry and gardening, with extra lectures on wise buying and the clothing budget.

"The College has turned over to us its nicest, newest dormitory where every woman can be made comfortable and where she may renew her girlhood days in association with friends and acquaintances from other parts of the State," says Mrs. McKimmon. "No woman can take more than two courses and I am asking those who plan to come to decide which course or courses they desire to take and to write me at once so that schedules may be arranged."

Mrs. McKimmon states that she has already had a large number of inquiries and that a good enrollment for this first short course is indicated. The faculty has been selected with much care and is composed of able men and women trained in the work which they will teach.

Constitution Again To Pick "Miss Atlanta"

Local Winner To Represent City at National Pageant

For the third consecutive year, The Atlanta Constitution herewith announces that this year it will conduct a tournament to select Atlanta's most beautiful girl—to be known as "Miss Atlanta"—who will represent "The Gate City of the South" at the national beauty pageant at Atlantic City, N. J., the first week in September.

The Constitution's tournaments in 1923 and 1924 were easily the most popular and successful beauty events ever staged in the south, being attended by city-wide and state-wide interest through the local competition and during the national pageant, where Atlanta's entries have won national honors in all of the events held in the greatest playground city on the North American continent.

The pageant this year will be held from September 8 to 12 inclusive, and news from Atlantic City is to the effect that the most colorful and spectacular program ever arranged for this nationally known event has been tentatively mapped out for the 1925 pageant.

Last year a approximately 125 cities sent competing beauties to Atlantic City to vie for national honors in the various events on the pageant program, and each year of the pageant's history has been marked by growing demand by cities in all sections of the country for entrance.

Atlanta's selection last year for participation for the second consecutive pageant was regarded as a distinct compliment to the first representative that this city sent to Atlantic City; and a recent invitation for the city to take part for the third year in unbroken order speaks glowingly of the popularity of this city's beauties who have attracted universal admiration in the fashionable events that draw throngs of tourists and pleasure-seekers from all parts of the country every September.

Heretofore such large cities as the various boroughs of New York City, Chicago, Philadelphia, St Louis and others have competed annually, but smaller cities with populations approximating the size of Atlanta's have been invited to send their representatives every two, three or four years.

Atlanta's selection for the greatest beauty event conducted on the North American continent, therefore, is looked upon as a distinct tribute to the city as well as to its reigning beauties.

Dates for the 1925 tournament have not yet been definitely arranged, but plans will be formulated at an early date, and announcement of the event will be made in ample time for all beautiful girls of the city to participate.

Officials of the pageant at Atlantic City have informed The Constitution that the program for the national pageant has not yet been worked out finally, and they promise that as soon as the various events are arranged full details will be supplied.

The Constitution's tournaments of 1923 and 1924 set a new standard in point of refinement and popularity for southern events of their kind. Interest was at fever heat throughout the competition, and the progress of the two beauties at Atlantic City was watched with keen interest.

We have reprinted the above article from The Atlanta Constitution of Sunday June 7th, date for your benefit and we leave it to you whether the three Atlantic City trips that we are giving this week of September so you can see the pageant, is worth your spare time efforts in winning them is worth your while? WAKE UP—get in the game and GO AFTER THEM.
