New Way to End Dangerous Cough

The most stubborn cough is relieved the first day, and is very often gone up entirely in 24 hours by a new method based on the famous Dr. King's New Discovery for Coughs.

Here is the method: You simply take one teaspoonful and hold it in your mouth for 15 or 20 seconds before swallowing. The prescription has a double action. It not only soothes and heals the inflamed throat, but also loosens and moves the phlegm and congestion which are the direct cause of the coughing. So with the cause removed, the severe cough usually disappears quickly.

Dr. King's New Discovery is for coughs, chest colds, bronchitis, spasmodic croup, etc. Fine for children, too—no harmful drugs. Very economical, as the dose is only one teaspoonful. At all good druggists. Ask for

LEE-JACKSON DAY OBSERVED

The B. H. Cathey chapter, United Daughters of the Confederacy, assisted by the children's chapter observed Lee-Jackson Day with a program at the graded school. The exercises opened with the singing of America. Mrs. J. H. Cathey, president of the B. H. Cathey chapter, gave the opening address, explaining the purpose of the meeting and the work of the U. D. C. Two little girls of the children's chapter read very interesting and well prepared papers. Helen Allison having as her subject, "The Life of Robert E. Lee" and Margaret Wilson, "The Life of Stonewall Jackson." Mary Alma Wilson gave a humorous reading from the "Laughing Spots," giving a splendid interpretation of the old South. Carl P. S. Curtis and Ruth Ellis gave readings to two versions of "The Blue and Gray", both poems very beautiful and were well rendered. The children's chapter sang "Our Old Stars and Bars Will Live Forever." This was followed by an address by Prof. Gibbs, principal of the graded school; on "The Religious Life of Lee and Jackson." Mr. Gibbs spoke a son who loves and honors these great men and the history and traditions of the old South. Mrs. C. A. Bales gave a dialect reading and Mrs. E. L. McKee, president of the North Carolina Federation of Women's Clubs, gave a short talk, which though brief, was like all of Mrs. McKee's talks, exactly to the point and very instructive as well as entertaining. Mrs. J. L. Dillard at a piano played a medley of Southern songs which program closed with the singing of Dixie.
