EASTERN STAR

REPORT OFFICERS

The Syva Chapter Order Eastern Star, at the regular meeting, in the Masonic Hall, Tuesday, held the annual election of officers. Mrs. J. P. Freeze, Past Worth Matron, presided. The following officers were elected: Mrs. I. V. Powell, Worthy Matron; Mrs. M. D. Coonan, Secretary; Mrs. M. D. Coonan, Treasurer.

Miss Allison, Past Grand Conduress; Mrs. A. M. Simon, Treasurer.

MISS ALLISON CELEBRATES HER BIRTHDAY, MONDAY

The young ladies of the P. D. K. surprised one of their members, Miss Wilma Allison, with a party, on Monday evening, in celebration of her birthday. In addition to the members of the club, Miss Kate McKee was present. Radio music and dancing were enjoyed by the young ladies and Mrs. A. O. Allison and Miss Anna Dalton served ice cream and cake.

NOTICE

From the following dealers: Sheperd's famous Ancona's, also from Barred Rocks, mated with Parks and E. B. Thompson cocks. Jno. R. Jones.

Looking ahead

THE SOUTH'S NEED for greater railroad service in the next few years is a problem which the management of the Southern Railway System must solve now. Planning years ahead is a prime requisite of adequate railroad service.

The heavy freight movement throughout the South has naturally increased our total revenues. We have been able to effect many economies in operation which have correspondingly increased our net income and permitted us to pay dividends to our stockholders.

But traffic in the South will continue to grow. We must continue to expand our facilities in order that our service may keep pace with the demands upon it. Good earnings will make it possible to attract additional capital as needed to make necessary improvements.

The business interests of the South have a definite interest in the prosperity of their largest railway system. Continued good earnings by the Southern will insure the continuation of adequate transportation service to the South.

SOUTHERN RAILWAY SYSTEM

The Southern serves the South

YOU ARE INTERESTED TO KNOW THE FACTS" DODGE BROTHERS, INC.

ONLY STEEL

could meet a test like this!

A Dodge Brothers Motor Car . . . A speeding truck racing down hill and out of control . . . A collision . . .

Take one look at this photograph. It is not pretty, to be sure, but it will convince any sensible man that all steel construction is the only safe construction for a motor car body.

That is why Dodge Brothers introduced the all steel body more than eleven years ago, and this year greatly improved and perfected it.

In fact, Dodge Brothers are convinced that the day is not far off when wooden motor car bodies will be a curiosity. People will shudder at the thought of having ridden in them and will thank Dodge Brothers for the greater safety, durability—and beauty, too—of all steel construction.

A steel body will stand up under impacts that would crush the wooden body to bits. Steel cannot splinter. Steel cannot burn. Steel is an armor of protection on the crowded, hurrying highway.

Outwardly, nearly all types of bodies appear to be all steel. In reality, however, most of them are simply frames of wood covered by a metal shell.

Dodge Brothers Motor Car bodies are steel through and through—steel reinforced by steel—battered and braced by steel—even the frames and running boards are steel.

And slender, stronger steel corner posts replace the customary bulky posts of wood, affording full, unhampered driving vision on all sides—a safety feature of the first importance!

Travel in safety! Powerful, quick-action brakes, a chassis world-famous for its sturdiness, and a body of steel—these explain the enviable reputation for safety enjoyed by Dodge Brothers Motor Car—and the enviable feeling of safety enjoyed by those who drive it.

The car will continue to be a "four". No reasonable buyer will be deceived from the issue of QUALITY by mere CYLINDER propaganda.
