> the annual meeting was held, and it proved to be one of the most please. nt as well one of the mest profitabe meetings that has been held since the chr aber was launched upon its successful career of service last July Daa Tompkins ,the retiring head of the Chamber presided and pre-sented a short resume of the most important things the have been accomplished during the nine months that the body has been organized. Reading from synopsis of the year's work as prepared by Harry Buchanan, chairman of the board of directors, he stated that a resolution had a en passed and a committee appoint ed which committee had met wit. the county Suthorities and fee stat

way commissioner, working ou plin for a loan from the county to asstate and adsuring the large of det on aff and hardweed, read i frosylva to Balsam, at an early date,

lished, in nine short months since a cooperative effort for the building of a city in Sylva was started.

Mr. E. L .McKee introduced a

president, E. E. Brown as secretary, commissioners of Oconce county, S. and asking that the road be named A. Cox as directors of the Sylva the Wade Hampton Memorial High-Chamber of Cumerce, at the election way. The resolution was unanimous-These gentminen will serve the ly adopted. It is a certainty that this Chamber util the end of the year on mear approach from the South to Jack-on county will be in travelable In the evening, at the dinner hour, condition this summer, affording a wonderful scenie highway, putting all Jackson county points, and Noo. 10 Highway, at least 14 miles nearer to Walhalla and most of the es, i riday. South Carlina and Gergia cities, than the presenct routes of travel.

The auditing committee made an excellent/report of the financial condition of the chamber and the pre i dent stated that the soard of directors had held a meeting in the afternoon, and that all accounts of the champer had been paid, or that there was money in the banks to pay them all, leaving the new officers a clean slate, and perhaps a few dollars surplus.

The blocks were opened and though not half of the old members of the chamber was present about \$1509 was pledged for the carrying on the work next year. It is believed that wive to Cashiers Valley and from at least \$1000.00 more will be paid in for memberships, enabling the body

The chamber had enthriained the Atlanta Journal motorcade, as it proceeded to Asheville over the App: achian Scenie Highway, The Main Street of Eastern America, and had caus secured, a great amotunt of reluable publicity for the town na: he county.

The presiding officer referrel t he Charlotte Good Will Ton", o hirty cars, htat was sponsord b the chamber from which resulted a closer relationship between Sylva and Charlotte and the donation of abeau ifal Courtland Heigh s lot by Mr.Bu enanan and Col. Harris to the Char lotte Chamber of Commerce for the ite of a club house; and the distribution of literature and advertising matter of Sylva and Jackson County at the Made In Carolinas Exposition. Another outstanding accomplish ment to which the speaker referred was the survey and mapping oof the city, which was recommended to the board of aldermen by the cicic comthe of the chamber, and which the president characterized as a ot valuable piece of constructive work, which will be worth housands of dollars to future Sylva.

SOY BEANS NOW

County Agent C. W. Tilson adviscs the planting of soy beans this year, said Mr. Tilson:

" The past two years have been so unfavorable on grass and clover that the service of these crops is very small in Jackson county. As a result of this our land will suffer had ly for want of a cover crop to tarn. under and our stock will suffer for feed nextwinter unless our farmers sow something to turn under and also for feed that will come this year

"Soybean vines are far better for the land to turn under than either Black Minorcas.' and grass or either by itself.
