Seven tenths of a mile more concrete to pour and Atlanta is ours.

Congress is threatening to adjourn. Had it done so the day it passed the Park Bill, we would have been better satisfied with it.

Concrete from Sylva to Tuckasee via East LaPorte and Cullowhee is the next step in Jackson county progress.

A negro girl in Asheville says the Valley Street ghost gave her four dollars. Personally we would like to shake hands with that spook every night.

Al Smith realizes that being a Romanist seriously handicaps his presidential aspirations. In fact, he is said to believe that no Roman Catholic can be elected president of the United States, for several years. Yet he remains loyal to his church and never misses an opportunity to attend its ordinances or to show his love for it. All of which convinces us that Governor Smith is a much better man than we have been giving him credit for being.

Mrs Keener is Hostess to Club
The Woman's Study Club met with Mrs. J. W. Keener on Thursday afternoon of last week. Among the matters discussed during the business session, was that caring for tubercular patients in the community. A committee was appointed to continue this work.

Following the business session, Mrs. J. F. Freeze and Mrs. J. R. Buchanan discussed some interesting articles in the current number of the Club Bulletin.

The program for the afternoon was arranged by Mrs. J. L. Dillard. Mrs. E. L. Wilson and Mrs. C. A. Batts interestingly discussed Amelia Sach's book "Talk" and Mrs. Mary Morris gave a very interesting synopsis of "The Back of the Book".

Mrs. Keener, assisted by Mrs. Er-

nest Keener and Miss Annie Joe Hooper, served a salad and sweet course.

Mrs. McKee Has Luncheon for Miss Davies.

Mrs. E. L. McKee entertained on Thursday of last week with a luncheon, complimenting Miss Daisy Davies, whose marriage to Archdeacon J. H. Griffith takes place at St. David's church, Cullowhee, this afternoon.

A Good Name

•• priceless ~ and therefore
jealously upheld

It is well known that the name DODGE BROTHERS is even more valuable than the vast works in which their product is built.

DODGE BROTHERS have kept the faith, and implicit public confidence has been their reward.

Year after year the car has continued to mature into a better and better product.

Beauty has been added to dependability, comfort and silence to beauty. Endless refinements have been made, and the quality of every detail either maintained or improved.

The result is a name that is altogether worthy of the remarkable public trust it inspires, and too priceless ever to jeopardize.
