MYRDEL ADELL

The Bert Melville
Associated Players.
My family and myself have attended your performances given here in Washington under the auspices of our local post of the American Legion and I can say that the drama and the music have been presented in a highly creditable manner by trained and experienced artists, who, as can easily be seen, have placed their calling on a high and proper plane.
The stage setting and seating arrangement, the well designed and ornate tent with its electrical equipment all prove the desire of the Company to present to a discriminating public innocent amusement and recreation which all of us need.
Yours truly,
Rev. E. J. Saywell, Rector.
