Entered as second class matter at Sylva, N. C.

From dream to reality, the Great Smoky Mountains National Park is fast developing.

THE POPPY!

The sale of the poppy is not an ordinary tag day affair. It is not just to raise money for needy service men and their families, though that is one of its objects.

The real meaning of the poppy is to be found only by a visit to the blood-stained fields of France and Flanders, where "Poppies blow between the crosses, row on row." Wherever sacrificial blood was spilt on the soil hallowed by heroes' blood, the red poppy sprang up in great profusion, to beautify the war-torn earth, and mark the land where heroes died.

The poppy was officially adopted by the American Legion and the Legion Auxiliary as the memorial flower. So closely connected with the soldier dead and so significant of the cause for which they gave their all, the poppy is the memorial flower of the Canadian, the British, the Americans, who saw their sons cross the seas to present their young bodies as a living wall to stem the tide of imperialism that threatened to overwhelm the liberties of the people of the earth.

Wear a poppy. Wear it understandingly. Wear it reverently. It is of hallowed memory to those who can't forget.

ERROR IN TAX ADV.

Through a clerical error, the name of Ben Cook, Caney Fork township, was included in the list of delinquent tax payers advertised in The Journal, last week. Mr. Cook had paid his taxes, and this correction is inserted at the request of the tax collector's office.

MRS. HALL DISTRICT U. D. C. HEAD

Mrs. David M. Hall, president of the W. A. Enloe chapter, U. D. C., was elected director of the First District, at the fifteenth annual district meeting held in Dillsboro, Tuesday. The district is composed of the eleven chapters west of the Blue Ridge. Mrs. S. W. Enloe, of Dillsboro, was chosen as secretary-treasurer.

The next meeting will be held in Asheville.

The feature of the morning session was the address by Mrs. Walter F. Woodard, of Wilson, state president, Mrs. Wilson confining her remarks to the objects that the U. D. C. is striving to attain.

The meeting was opened with an invocation by Rev. W. M. Robbins, pastor of the Methodist church, and an address of welcome by Mayor F. I. Watson, of Dillsboro.

Addresses were made by Mrs. E. S. Clayton, of Asheville, Mrs. Lili Ripley, of Hendersonville, Mrs. David M. Hall, president of the hostess chapter Mrs. E. L. McKee, retiring president of the State Federation of Women's Clubs, Mrs. Joseph M. Taje of Asheville, Mrs. J. M. Gudger of Asheville and others.

The prize of \$10 offered for the chapter having the largest per cent of membership present, distance taken into consideration, was awarded to the Andrew chapter.

During the luncheon hour, at the Sylva Central High School, the children of the Confederacy, of both Sylva and Dillsboro, entertained the women by singing Confederate songs and dancing a minuet.
