"Hail and Farewell!"
 Tomorrow the New Year arrives
 Let's go.

Another 12 months of opportunity
 lies before us.

There's no room in Jackson county
 for idlers. We will be a busy people
 in 1928.

California has a great opportunity
 to show the world that American jus-
 tice isn't always tardy.

Here's hoping 1928 marks one more
 milestone on the world's progress to
 brotherhood and "good will to men,"
 which will bring "Glory to God ..
 the Highest."

**POSTOFFICE HANDLES
 BIG MAILS**

The Sylva postoffice handled the
 largest volume of Christmas mail in
 the history of the town. Never before
 has there been so much to do, and the
 postmaster, Mr. Warren, and his as-
 sistant, Mr. Ensley, are to be con-
 gratulated upon the dispatch, ease,
 the courtesy, with which the in-
 coming and outgoing mails were
 disposed of. The people of the com-
 munity are deeply appreciative of
 the job well done.

1928

Sylva, Jackson County and Western
 North Carolina can greet 1928 with
 confidence that it will bring much
 prosperity and great blessing in ma-
 terial things. There are in prospect
 many things that will be of material
 benefit to us, and we can greet the
 new year with confidence. To the
 nation at large it brings the presi-
 dential election—first the great na-
 tional conventions and the November
 election, and it promises to be one
 of the hottest and most interesting
 political campaigns that this country
 has witnessed.

There is danger that prejudice and
 intolerance will carry the people far
 afield from their natural feeling of
 good will; but it is the duty of every
 man and woman to keep his mind and
 heart clear and to do all in his power
 to prevent the spirit of intolerance
 from making too great a cleavage in
 our people.

The fair minds and true hearts of
 America will be the balance wheel,
 and we can enter upon the campaign
 knowing that our people will settle
 their differences without undue
 strife and undue hard feelings. All
 in all 1928 promises to be a good
 year. We can make it so.

HAPPY NEW YEAR!

The Journal extends to each of
 its readers its best wishes for a happy
 and prosperous New Year.

May 1928 bring to you all the bless-
 ings that you need. May it fill your
 hearts to overflowing with happiness.
 May it see your dreams of the years
 come true. May your plans for the
 advancement of your interests, and
 those of your family, your neighbors,
 and your community be brought to
 glorious fruition.

May 1928 knit each part of Jack-
 son county more closely together in
 the bonds of good fellowship, mutual
 understanding and mutual helpfulness.

Ours is a great county, ours a
 great people. More and more do we
 see that "the everlasting team work
 of every blooming soul" is all that is
 needed to bring about great things
 in this beautiful county of ours. Let
 our aim for Jackson county. We hope
 to see the day when ignorance, intol-
 erance, and the distrust will be for-
 ever banished from this county, when
 there will not be an empty heart nor
 underfed child in all these mountains,
 when every boy and girl from the
 South Carolina line to the Oconee
 bluffs and from the top of the Bals-
 am to the summit of the Cowehee
 will have glorious opportunity placed
 before them, and they will have the
 will to improve that opportunity.

Let us all during 1928, work as
 never before to these ends. It can
 be done. Let us all have our share
 in the making of a better world.

"DON'T FORGET YOUR EYES"
 If you expect to succeed in 1928
 you must see well. If your vision is
 not O. K., you should meet Dr. A.
 C. Downs at The Main Store, Sylva,
 N. C. **MONDAY, JANUARY 2nd,**
 1928, and have your eyes examined
 and glasses fitted.
 Dependable eye examinations and
 quality glasses fitted.
 Don't forget your eyesight.

**Resolutions?
 1928 Is Leap Year**

You'll find most of the Presidential
 candidates parked under the mistle-
 toe these days, hoping that their party
 will spy them.

If their dispute over the annual
 Army-Navy football game proves
 nothing else, it shows that both the
 Army and Navy are ready to fight.

Chicago gangsters are reported to
 have sought court protection against
 the activities of police, and some kind
 judge may yet place a number of
 them behind the bars where they will
 be safe.

you will wind a chain of good re-
 sions why you should do business
 with this institution. Prestige, intelli-
 gence, character, safety, service and
 convenience are but a few of them,
 but the fact that so many prominent
 business men use this as financial
 headquarters, speaks well for our
 standing in the community.

A Sylva young lady
 says she didn't give
 "him" his present
 until the day after,
 then she gave "him"
 the gate.

Owning your own
 home is a safe and
 sensible investment.

But the most prac-
 tical giving we've
 heard of was the
 young married lady
 who says she re-
 ceived 27 guest tow-
 els at her wedding
 shower. Gives six
 away as presents ev-
 ery Christmas, and
 receives about four.
 She has hopes to
 eventually dispose
 of her supply.

Maybe it doesn't
 cost as much to own
 a home as you think
 it does. Have you
 investigated?

As this will be the
 last issue of The
 Latch String, this
 year, we want to
 thank all our friends
 and customers for
 their patronage the
 past year and ex-
 press the wish that
 1928 will be the
 most prosperous and
 happiest for ever-
 man, woman and
 child in Jackson
 County, that they
 have ever had.

 materials for a good
