The Difference Most men do not wake up to find themselves famous, most of them dream they are famous then wake up.

We have screen doors in stock.

We saw a nifty looking pair of calves on the street last week in a farmers truck. (Fooled you that time.)

City Cousin—"Why do you paint the inside of your chicken coop?"

Farmer—"To keep the hens from picking the grain out of the wood."

Again let us repeat, Springtime is building time.

See us for plans and estimates.

TIMES CHANGE And to think just a few years ago being knocked-kneed was a misfortune instead of a dance.
