

"Dry as a Bone"

is a homely metaphor which may well be used to describe the interlocking material supplied by us. The use of our tar felt padding and other materials is an assurance of permanency which means freedom from costly repair bills.

Prestige and Convenience

PERSONAL CHARACTER

is, somehow or other, invariably judged from one's banking connections. A good bank gives a prestige to all its customers, that cannot be otherwise obtained, and familiarity with the bank's employees is often a great help to quick recognition and prompt service. You know this if you do business here.
