fallen from the train.

Since Tuesday evening, men' and how have been scotting the woods helwen Cashier's Valley and White side Mountain ter traces of Rev. W. T. Hawkins, local Methodist preachrr, and well known citizen of Cash-

ier's Valley. Mr. Hawkins, who is 73 years of 13", left his hom, in Cashier's Valley, about 3 o'clock, Tuesday afternoon, going in the direction of timher Ridge in search of his cow. When he did not return before dark, his maily became fearful, and gave the glarm, as Mr. Hawkins had been in poor health for some time. A searchind party was organized, and as the my parcy and others joined in the ers attempted to locate the young search for him. Through the night man said to have been seen concealthe efforts to vind the missing man ling it; but were unable to appra-

With the coming of day, still othto joined in the search, and were augmented by still others, during the day, until almost all the able hodied men in Cashier's Valley and hamburg were in the rough section, siking there or their friend and

Mr. Hawkins has fived in Cashir's valvy section for many years, he is an experienced woodsman, fafallar with every root of the terri-101%, knowing it, perhaps better

The country into which Mr. Hawkins is believed to have gone is as rough as any in the mountains, It is ver precipitous. Whiteside mountan has the highest sheer precipiee in the entire mountain region, and Tunber ridge, if selt, while level on the summit, with broad needs, breaks off toward the Chattooga river, into a precipice of the dy 1000 feet. In such a country, sale, Hawking Lad gone, fishing, hauting, tramping, or to catch rattlesnakes, many times; and in it, the search is being made
