 The 2 and 3 are the days set aside for the Jackson County Flower, Livestock and Poultry Show. Superintendents of the different departments and the different committees have been busy these last few days getting things ready for opening next Wednesday morning. The flower show will be held in the building next door to the bus station. The ladies ask that the flowers be on display by 10 a. m. on Wednesday, October 1st. The livestock, poultry and 4 H Club farm display are to be in place by noon, October 1st. Through the courtesy of Mr. D. M. Hall, the beef cattle and dairy cattle will be shown at the Sylva Supply barn. Clean, well bedded stalls will be provided for every animal entered.

Through the courtesy of Mrs. D. L. Love the sheep, Poultry and 4 H Club exhibits will be shown in the large warehouse next to Mr. J. B. Haley's Feed Store. Strong well bedded pens will be available for all sheep and hogs, and exhibition pens will be ready for the poultry.

Friday, October 3rd, the Sylva High School and Franklin High School will play football on the high school gridiron. This game is always colorful, because of the rivalry of the two county teams, and because they are usually well matched. This game should attract every one in Jackson county, who enjoys a real good game.

Anyone who has not received a premium list can secure one by calling at the Chamber of Commerce, The Print Shop, County Agent's office, or by seeing Mrs. A. H. Weaver.

### JOURNAL MOVES TO SPLEN-DID NEW QUARTERS

During the past week, the Journal has moved to its new quarters in the Dills Building, under the Western Union Telegraph Company's offices.

There are entrances to the office of the Journal from both Main and Mill streets, the two principal thoroughfares of the city; and we are now not only well housed, in pleasant quarters, but are well located in the heart of the town, in the same building that houses the Chamber of Commerce, the community gathering place.

It is the purpose of the Jackson County Journal, the Jackson county paper, to give the people of Jackson county, the very best newspaper and printing service.

We do not feel that the Journal is a small private business, but that it is a public, Jackson County institution, working for the interest and good of all the people of the county, from Balsam Gap to Watauga Gap and from White Water to Oconalufita.

We want you to feel that the Journal is your paper, which it is; and we invite you all to come to see us when you come to town.

### MORRISON WILL SPEAK HERE ON OCTOBER 11, AT 2 O'CLOCK

Former Governor Cameron Morrison will open the Democratic campaign in Jackson county, on October 11, when he will address the voters of the county in the auditorium of the Sylva graded school building, at two o'clock in the afternoon.

Governor Morrison is not only one of the most forceful and pleasing speakers in the State; but is popular with the people, especially of this section and this county, and it is expected that a large crowd of people will welcome and hear him.

### TEACHERS WILL HOLD ANNUAL MEETING SATURDAY

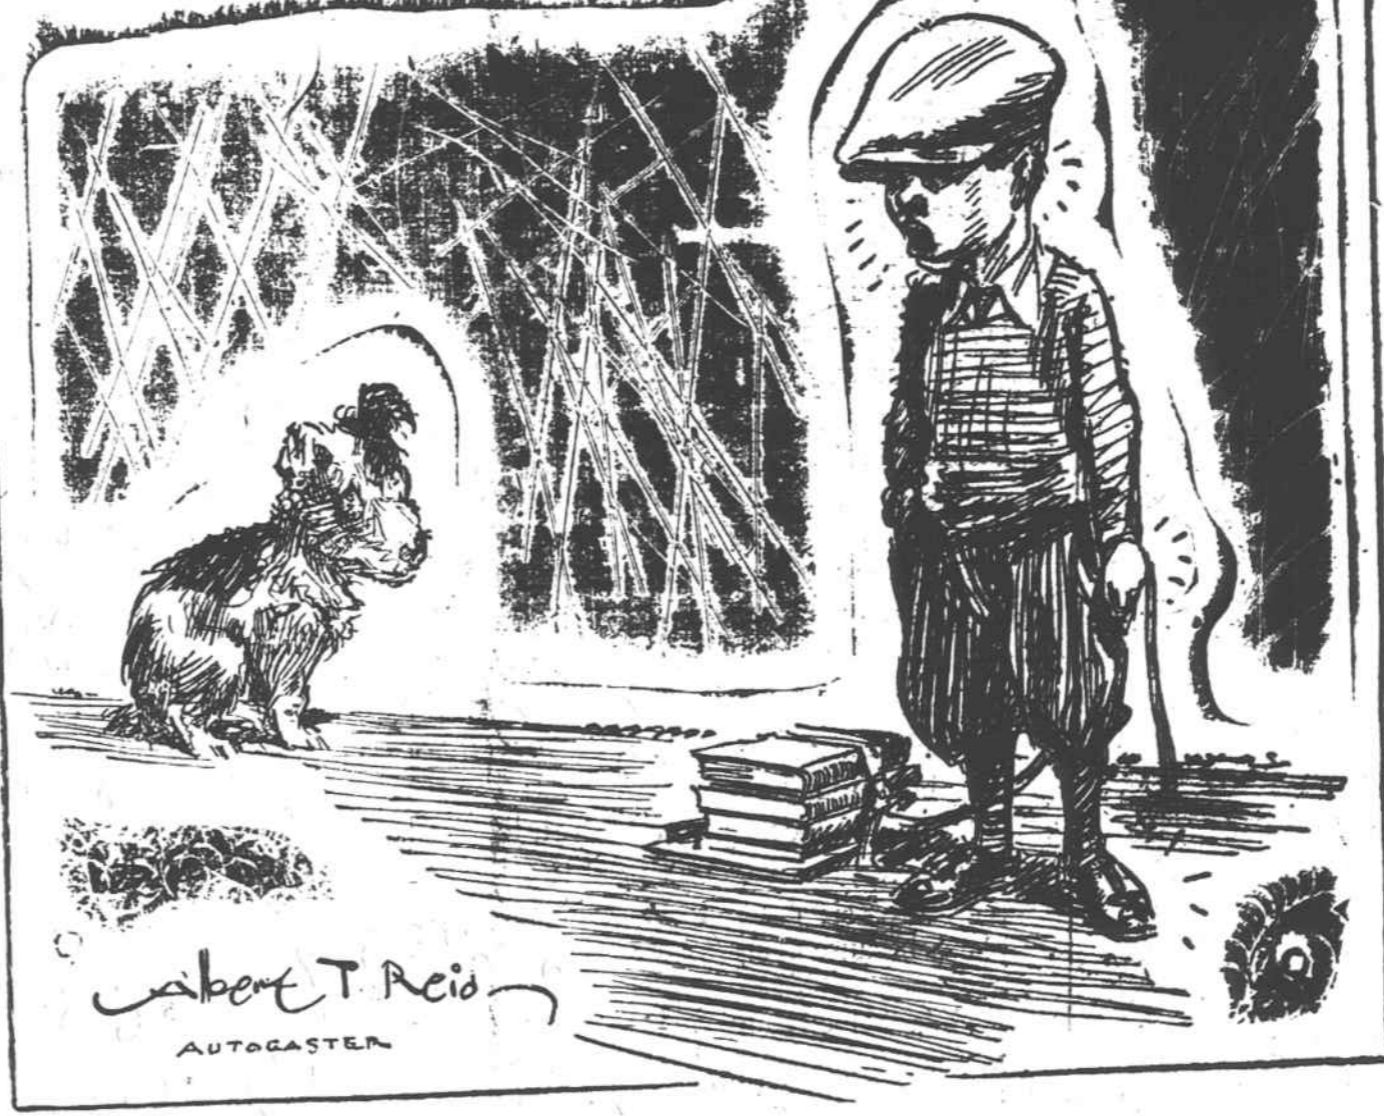

The Jackson County Teachers Association will hold its annual meeting on Saturday of this week, and it is expected that every public school teacher in the county will be in Sylva for the event.

### Heartbreaking Days

By Albert T. Reid

"You cant come with me, Tige. - and, dog-gone, it; what're you looking that way at me for? I guess it aint my fault 'cause I gotta go to school, is it?"

### "CHOCOLATE DROPS" MINSTREL, TUESDAY

"Chocolate Drops" a minstrel, will be presented under the auspices of the Junior Study Club, Tuesday night September 30, at 8 o'clock, in the graded school auditorium. The proceeds will go to help with the welfare work in the community, and to buy a curtain for the auditorium.

"Chocolate Drops" is said to be one of the best shows on the road. The biggest and best that has ever come to Sylva. Its different from a musical comedy, filled with fun - a laugh from beginning to end.

"Chocolate Drops" is a Negro minstrel. The cast has been selected with great care and will be trained by Miss Lou Coffee, who has been sent to Sylva by the Daniel Producing Company. The cast consists of one hundred and twenty five men, women, girls and boys. Miss Coffee says that she has the best talent that she has worked with in quite a while.

The minstrel scene opens the show. It is full of songs, dancing jokes, and elaborate costumes. Eight pretty, peppy chorus girls help make this scene a success each time they appear in a different costume.

The second scene is an old black, Mammy and her white child. This is very sweet, as they recall the days of long ago. The chorus girls appear dressed in beautiful, old-fashioned costumes.

Mammy goes to church in the next scene. They have a council meeting before church starts, in which Parson Ebony White tells them to ask him any question from the Bible that he can answer. The first question is "who was Cain's wife?" If you can't answer it, be sure you see "Chocolate Drops." After the council meeting Parson White delivers a very stirring sermon on "De Valley of De Dry Bones." He delivers it so effectively that some of the good sisters in the congregation get quite happy and shout.

The closing scene is where Judge Parker tries the cases listed in the court news this week. The court is interrupted by George Dishwasher Black and Angelina asking the "Judge" "has he got just a minute to get 'em hitched." A real Negro wedding follows.

### CHAMBER OF COMMERCE WILL MEET THIS EVENING

The Sylva Chamber of Commerce will hold a dinner meeting, in the hall of the Chamber, this evening.

It is expected that the meeting will be largely attended, as it is said to be a most important one.

### WEEK BY WEEK

It will be well worth everybody's to come to Sylva to the Livestock and Poultry show next week. This should be made an annual get-together meeting the Jackson county folks.

Wheat dropped to 77 cents a bushel on the Chicago market Tuesday, the lowest price in a quarter of a century. There are men and women, who are raising wheat for a living today, who were unborn, when the price was as low before as it was on Tuesday of this week. The explanation is made, and there is a deal of truth in it, that the condition that has forced prices down in this country is world wide. Perhaps we will learn that we are in the world, are a part of it, and that our policy of isolation, and high tariff helps create world conditions that work injury to us.

Major Charles M. Steadman, 89 year old congressman from the Greensboro district, died in a Washington hospital Tuesday. The passing of Major Steadman is a matter of regret to all Americans, not only because of his being the last veteran of the War Between the States serving in either house of the Congress, but also because of the loveable disposition of the man, who has served his State and his country so long and so faithfully. He has crossed over the River to rest with Jackson, in the shade of the trees.

The stock market went down with the falling of the wheat and other grains, Tuesday, to register the heaviest decline in three months. The event emphasizes the fact that the country cannot be prosperous, except in a superficial, artificial way, so long as agriculture, one of our great industries suffers. The distress of the farmers, through the years of so-called prosperity, finally brought the whole of industry down with it. Government can't favor one section of the people as against the other, and make the whole prosperous.

New charges against Bishop Jas Cannon, Jr., stormy prelate of the Methodist Episcopal church, South, have been signed by four elders of the church, three from Virginia and one from Maryland, and have been forwarded to Bishop Ainsworth, president of the college of bishops. The nature of the charges has not been disclosed; but prior to this stock market ventures and handling of funds in a political campaign, have been the basis of

### URGES COUNTY NURSE AND HOME DEMONSTRATION AGENT

Speaking as the representative of the women, at the annual Ladies' Night of the Sylva Rotary Club, at High Hampton Inn, Mrs. H. T. Hunter, of Cullowhee, bemoaned the fact that there is neither a county health nurse nor a home agent in Jackson county. She emphasized the home as the foundation of all good enterprises, stated the needs of the agencies for the welfare of the women and children, and the promotion of better home life. She stated that, despite the primary importance of the home, that, when officials decided to economize, the home is the first institution at which a blow is struck.

Mr. Thomas A. Cox, speaking for the board of trustees of the C. J. Harris Community Hospital, stated that the hospital is the property of the people, that it is operated for them, on a non-profit basis, backed by the Duke Foundation, for the sole purpose of providing hospital facilities for all the people, those who are able to pay for hospitalization, and those who are not. He stated that no one can make money out of the hospital, and that any physician or surgeon can take his patients there, and any patient can go there and take his own physician or surgeon. In order that the hospital may succeed in its high purpose, and that the unfortunates, who are unable to pay for hospital treatment may receive its benefits, he urged that civic organizations, women's clubs, church organizations, individuals, and the public generally, support the community hospital. The principal address was a masterful exposition of the Constitution by Mr. A. Y. Arledge, of Hendersonville.

Most of the Rotarians left Sylva in the morning or early in the afternoon, and enjoyed the beauties of the Cashier's Valley country, and golfing on the High Hampton course.

attacks upon Cannon. The accused man is hurrying home from Brazil where he has been holding conferences and having his honeymoon journey. It is inevitable that when anyone, especially a bishop of the church, tries to regulate everybody's business, he will find himself sometimes placed in an unfavorable light.

### FARMERS, SHOW YOUR STUFF

By E. V. Vestal, County Agent  
 If the farmers and poultrymen of Jackson county will be as loyal, by bringing their livestock and poultry out to the Livestock and Poultry show, next week, as the merchants and business men of Sylva and Dillsboro have been in making possible the premiums, there is a real treat in store for us, next week. Jackson county now has some well-bred stock, and it behooves all of us to show our best. Not only will the advertising value be worth the trouble, but the prizes offered are well worth the time and trouble of showing.

If all the livestock and poultry of Jackson county was shown here next week, the sight would be an education in itself.

Farmers, help make this the biggest and best show yet!

### Picturesque Senator

Governor Huey P. Long of Louisiana, winner of the Senatorial Primaries over J. H. E. Rouse.
