TODAY

(By Frank Parker Stockbridge) Surplus

The Federal Farm Board has too much wheat and cotton on hand. The Brazilian government has too much coffee on hand. We want coffee, Brazil wants wheat, so an international "swap" has been arranged.

The Chinese are suffering for food. The Nanking government has asked the Farm Board to sell it 5,000,000 bushels of wheat a month for six months, on long-time credit. It may be a very long time, but it seems to me worth doing. It will benefit millions and harm nobody. It will relieve this country of much of its wheat surplus, save storage charges and save human lives. There ought to son Conty, Mr. Buchanan's pol- be nothing in any laws to prevent it

Now if all the cotton states will join in making it illegal to grow any number of relatives in this county cotton at all in 1932, that surplus will be wiped out and fair prices will return in the cotton market.
