Among the items of business transacted were a motion that each member of the society earn \$1.00 during the coming month for the treasury, and a decision to donate a "shower" of canned goods to the Community Hospital. Baskets for the reception of the canned goods will be found at the Sylva Supply Store today and tomorrow and every member of the society is urged to contribute something to this worthy cause.

Mrs. Nichols served her guests delightful refreshments. The celebration of Washington's Birthday was suggested in the accompaniments of the refreshments.

Restless CHILDREN

CHILDREN will fret, often for no apparent reason. But there's always Castoria! As harmless as the recipe on the wrapper; mild and bland as it tastes. But its gentle action soothes a youngster more surely than a more powerful medicine.

That's the beauty of this special children's remedy! It may be given the tiniest infant -- as often as there is need. In cases of colic, diarrhea or similar disturbance, it is invaluable. A coated tongue calls for just a few drops to ward off constipation; so does any suggestion of bad breath. Whenever children don't eat well, don't rest well, or have any little upset -- this pure vegetable preparation is usually all that's needed.
